[Another Orchestrated Health Crisis in the Works? Smallpox Vaccine to Protect against Monkeypox](#)

By [Dr. Paul Craig Roberts](#), May 23, 2022

The corrupt public health officials in the Western world, who are shills for Big Pharma as they share in the profits of the drugs that they approve, are about to inflict on humanity a worst catastrophe than the Covid vaccine.

[How Many People Have Been Killed by the COVID Vaccine?](#)

By [Josh Mitteldorf](#), May 23, 2022

Several scholars and statisticians have used different methods to estimate how many Americans the vaccines have killed. I took a stab at it myself. Credible results fall in the range 250,000 to 500,000 people killed promptly by the vaccines, about $\frac{1}{4}$ to $\frac{1}{2}$ the number that the COVID virus has reportedly killed.

[Over 100 Monkeypox Infections Detected in 10 Countries as Unprecedented Outbreak Spreads Globally](#)

By [Evan Blake](#) and [Benjamin Mateus](#), May 23, 2022

Much remains unknown about what is causing the outbreak, which is the most geographically dispersed and rapidly spreading monkeypox outbreak since the virus was first discovered in 1958. In the coming days and weeks, more data and scientific understanding will emerge, but already there is profound concern within the scientific community and among the public, which has found wide expression on social media.

[The U.S. Has Killed More Than 20 Million People in 37 “Victim Nations” Since World War II](#)

By [James A. Lucas](#), May 23, 2022

The largest WWII casualties were China and the Soviet Union, 26 million in the Soviet Union, China estimates its losses at approximately 20 million deaths. Ironically, these two countries (allies of the US during WWII) which lost a large share of their population during WWII are now under the Biden-Harris administration categorized as “enemies of America”, which are threatening the Western World.

[History of Ukraine’s Nazi Connection](#)

By [Brett Redmayne-Titley](#), May 23, 2022

Britain’s parliamentary warlords have to date gladly provided £2.1 Billion to fund the Ukrainian war effort rather than budgeting to fix the UK’s gutted NHS, declining educational system, historic poverty or ever-increasing homeless population. With the deplorable state of the UK in mind, why does the British public continue to ignore this national decline in favour of Ukraine’s factual allegiance to neo-Nazism?

[The History They Don’t Teach You in School: America and Russia Have a Long History of Collaboration](#)

By [Nancy Spannaus](#), May 23, 2022

History shows that, from the period of America’s independence struggle to the time of President John F. Kennedy, American statesmen sought and achieved alliances with Russia (including in the Soviet period) in their common interest. In each case these statesmen were leading representatives of the American System of political economy.

[Globalization and Rampant Racism](#)

By [Jim Miles](#), May 23, 2022

Words are important. Using the word ‘rampant’ in the title gives the real image of racism: not some narrow right wing ethos that surfaces occasionally into violence, but something that is “violent or extravagant in action or opinion, arrant, aggressive, unchecked, prevailing.” (Oxford English dictionary). All wars and significant amounts of domestic violence throughout the world can be accurately viewed through the perspective of racism, racism prevails.

[How to Mitigate the Infant Formula Disaster](#)

By [Dr. Joseph Mercola](#), May 23, 2022

[Skyrocketing prices and food shortages](#) are already looming, and are likely to become worse in the coming months. At present, many parents across the U.S. are running from store to store in search of baby formula and finding only empty shelves. How did this happen?

[Dr. McCullough: 'Medical Crisis' Is Being Exploited to Push Global Government](#)

By [Emily Mangiaracina](#), May 23, 2022

Since the early stages of COVID-19, McCullough has spoken regularly about the dangers of the COVID shots, and about the suppression of effective early treatment for COVID. However, he has been mostly tight-lipped on the reasons behind the seemingly ubiquitous push for dangerous jabs, and suppression of effective treatment.

[The Anatomy of Inflation](#)

By [Dr. Jack Rasmus](#), May 23, 2022

In my latest Alternative Visions radio show I break down the various causes of US inflation and its evolution from the summer of 2021 when it emerged to the present (and coming months). False narratives by US politicians—inflation due to too much government relief spending in March 2021, due to 'Putin's war, or due to US households' flush with savings and cash—are exposed for the economic ideology they represent.
