[Attempted Assassination of Donald Trump. Secret Service Has Some ‘Splainin to Do](#)

By [John Leake](#), July 15, 2024

As I have observed in previous columns, our era in the United States is frequently beset with incidents characterized by a catastrophic loss of competence. Decades of procedural knowledge seem to vanish from one day to the next, leaving sensible people wondering how it could possibly happen.

[Presidential Candidate Donald Trump Barely Escapes an Assassination Attempt](#)

By [Peter Koenig](#), July 15, 2024

Trump’s security guards immediately killed the shooter, no attempt whatsoever to arrest him, so he could NOT be put on trial. There is no trace and Thomas can no longer talk about his possible motives, what may have prompted his shooting, whether he acted alone or in a team or whether he was in one way or another prepared for the assault – if so, by whom. He was silenced.

[NATO Reinforces Its War Plans During Washington Summit](#)

By [Lucas Leiroz de Almeida](#), July 15, 2024

NATO held a summit in Washington from July 9 to 11 to celebrate its 75th anniversary and discuss strategies for dealing with the current global issues. By [Prof Michel Chossudovsky](#), July 13, 2024

Concluding his opening remarks, Biden handed over to Zelenskiy with the words: "Now I want to hand it over to the president of Ukraine, who has as much courage as he has determination." "Ladies and gentlemen, President Putin!"

[The Convulsed Republic: The Shooting of Donald Trump](#)

By [Dr. Binoy Kampmark](#), July 14, 2024

As a nation, the United States, as if we did not already know, is convulsed. Paranoid and divided, giddy with conspiracy and deranged by a fear of totalitarian seizure, hyper partisan and hostile to debate and any loose definition of facts (this condition afflicts the entire political spectrum), the only thing missing so far was this: an assassination attempt on a presidential candidate.
