By [Peter Koenig](#), November 02, 2021

Can you imagine a Human Rights abuse that knows hardly any precedents since the German Nazi-Government in the 1930s and 40s? It is noticed, but governments just roll over it, always with lies and deceptions, and falsehoods. The EU Parliament speaks out against the EU Commission’s path towards outright tyranny.

This has resulted in the needless loss of life of well over 150,000 Americans.
