[**Beware the Agents of Chaos**](#)

By [Richard Gale](#) and [Dr. Gary Null](#), April 15, 2023

Not a day passes without Americans witnessing another debacle in the nation's domestic and foreign policies that further grind down the last remaining threads of a sustainable, coherent and functioning nation. Instead of actual progress, we hear competing incantations of nonsense to "make America great again" and to "build back better."

[**Black Radical News in 2023: Mumia's Fate, African Colonialism, and the Zone of Peace in the Americas.**](#)

By [Michael Welch](#), [Abayomi Azikiwe](#), and [Johanna Fernandez](#), April 14, 2023

Throughout history, many of the exciting developments in exploration, discovery and the joy of establishing a new colony is accompanied, like a counterpoint with the tremendous misery of the people on the ground who made it work or who had to be eliminated in order for the project at hand to proceed.

[**Gateway to Nowhere. The One World Order Privatization of Amazonia. Greed for Power and Money**](#)

By [Peter Koenig](#), April 15, 2023

We may call the whole vast enormous area of Amazonia PARADISE. It is the fountain of life, with endless biodiversity, forests, intermeshed jungle, wilderness, an uncountable richness of fauna, flora, medicinal plants – and not to forget, an almost limitless abundance of water, together with oxygen, also generated by Amazonia, thanks to the natural carbon - CO₂ - the world emits, mostly the Oceans — the essence of life.

[Life Worthy of Human Beings.”](#)

By [Dr. Rudolf Hänsel](#), April 15, 2023

The citizens in our countries are not satisfied with the present world situation: The West’s never-ending war against Russia, which could develop into a nuclear war between the two superpowers on European soil, and the many other wars: murder and manslaughter again and again. Add to this the increasing impoverishment of low-income groups and concerns about the future. See Paul C. Roberts, “Does America Have a Future?”

[Canadian Hero, Former Ontario MPP and Whistleblower Randy Hillier](#)

By [Dr. Mark Trozzi](#), April 17, 2023

Like rare honest scientist, nurses, and doctors; Randy Hillier is a rare and special leader among us. He was serving as a member of our provincial parliament in Ontario when covid was launched. While many meat puppets in governments lined their pockets with fiat currency, and served global predators and their covid agenda against the people; Randy asked important questions, spoke truth to power, and stood with us and our truckers in Ottawa.

[The Pentagon Leaks Charade](#)

By [Pepe Escobar](#), April 17, 2023

Tweaked or not, the “secret” Pentagon comparative war dead ratio between Russians and Ukrainians still does not make sense. The numbers appear to reflect Bakhmut/Artemovsk casualties, where Russian casualty ratios were highest. Yet reliable on the ground Russian military correspondents assure the ratio is really 10 to 1, with the Russians employing the snail technique combined with a formidable artillery mincing machine.
