[Biden Plan: Rebuilding Gaza to Erase Palestine](#)

By [Manlio Dinucci](#), June 09, 2024

The clear aim of the plan is to strike the BRICS, which Russia and China are part of, and Saudi Arabia has entered together with Iran, which the USA and Israel consider their most dangerous enemy in the region. However, the fact remains – concludes Biden – that Israel will always have the right to defend itself from threats to its security and that the United States will always ensure that Israel has what it needs to protect itself.

[Dr. Francis Boyle Provides Affidavit: COVID 19 mRNA Nanoparticle Injections Are Biological Weapons and Weapons of Mass Destruction](#)

By [Dr. Joseph Sansone](#), June 10, 2024

Dr. Boyle asserted that ‘COVID 19 injections’, ‘COVID 19 nanoparticle injections’, and ‘mRNA nanoparticle injections’ are biological weapons and weapons of mass destruction and violate Biological Weapons 18 USC § 175; Weapons and Firearms § 790.166 Fla. Stat. (2023).

[Evil Can Destroy the World. Paul C. Roberts](#)

By [Dr. Paul Craig Roberts](#), June 10, 2024

Zionist Israel’s theft of Palestine and ethnic cleansing of Palestinians from their own country was covered up each year along the way by the West pretending to be in favor of a “two state solution.” Of course, such a solution never materialized decade after decade as Israel claimed the entire territory.

Hezbollah

By [Timothy Alexander Guzman](#), June 10, 2024

For Israeli officials, Hezbollah is a formidable enemy that will fight to the end. Since Israel lost the last war to Hezbollah in 2006, the Israelis know that with the Lebanese resistance still in the picture, they will face an unwinnable war against all their long-time adversaries including the Palestinian resistance, Syria, Iraq, and eventually Iran, so for them, Hezbollah needs to be taken out of the equation.

The Twilight of the Western Settler Colonialist Project in Palestine

By [Amir Nour](#), June 09, 2024

An extensive examination of Theodor Herzl's wittings and movement shows clearly that from its very beginnings to the politics and policies of the state of Israel today, Zionism thought has permanently and resolutely embraced the dominant European discourses of the late nineteenth and early twentieth centuries, including anti-Semitism.

Israel Prepares to Open a Second Front in the North

By [Mike Whitney](#), June 09, 2024

Today's political leaders in Israel—greatly emboldened by their perceived triumph over the civilian population of Gaza—are pushing for an invasion of Lebanon and a confrontation with their arch-enemy, Hezbollah. Most of these politicians either don't know what transpired in 2006 or think that today's "stronger and more capable" IDF will prevail with relative ease.
