### [Big Pharma's "License to Kill"](#)

By [Richard Gale](#) and [Dr. Gary Null](#), November 27, 2024

Over the past 50 years, the leading pharmaceutical companies in the United States have caused the injuries and deaths of millions of Americans. This troubling reality has reached such widespread acknowledgment that iatrogenic harm—injuries and deaths caused by medical treatment and erroneous diagnoses—now ranks as the third leading cause of death.

### [Ironic Dependency: Russian Uranium and the US Energy Market](#)

By [Dr. Binoy Kampmark](#), November 27, 2024

Be careful who you condemn and ostracise. They just might be supplying you with a special need. While the United States security establishment deems Russia the devil incarnate helped along by aspiring, mischief-making China, that devil continues supplying the US energy market with enriched uranium.

### [COP29 Summit Marked by Acrimonious Debate Over Emissions and Finance](#)

By [Abayomi Azikiwe](#), November 27, 2024

A two-weeks long annual United Nations Climate Summit in Baku, Azerbaijan has ended without addressing the concerns of the peoples of the underdeveloped and developing geopolitical regions of the world.

### [The Western World Retreats Deeper Into Unreality. Paul C. Roberts](#)

By [Dr. Paul Craig Roberts](#), November 27, 2024

On November 18, 2024, the US and NATO fired from Ukrainian soil missiles into Russia

despite the Russian government's clear announcement that such reckless action would initiate war between the West and Russia.
