By [Bryant Harris](#), September 17, 2019

The attack on the Saudi Aramco oil facility over the weekend and **President Donald Trump's** subsequent tweet that the United States is "locked and loaded" immediately prompted presidential candidate **Sen. Bernie Sanders**, I-Vt., to fire back.

[The Ansarullah's Drone Strike against Saudi Arabia's Oil Facilities Was a Classic "David vs. Goliath" Moment?](#)

By [Andrew Korybko](#), September 16, 2019

This weekend's massive drone strike by Yemen's Ansarullah rebels against the world's largest oil processing facility in Saudi Arabia was a classic David vs. Goliath moment where a smaller force inflicted a devastating blow against their much larger opponent, one which even surpasses its legendary predecessor because of its potential global consequences.

["Drone Attack" on Saudi Oil - Who Benefits?](#)

By [Tony Cartalucci](#), September 16, 2019

Following an ambiguous and evidence-free description of the supposed attacks, the BBC even included an entire section titled, "Who could be behind the attacks?" dedicated to

politically expedient speculation aimed ultimately at Tehran.
