[“Bold Goals”: Biden’s Executive Order Will Have Us Bioengineering Everything](#)

By [Marie Hawthorne](#), May 15, 2023

In September 2022, [President Biden released](#) an Executive Order on Advancing Biotechnology. Then, In March 2023, he released a document entitled [Bold Goals for U.S. Biotechnology and Biomanufacturing](#), outlining specific areas of focus in this bioengineering manifesto.

[Is the United States Moving Its Capital to Jerusalem?](#)

By [Philip Girdi](#), May 16, 2023

Recently there have been indications that rather than Washington being the center of the universe that title should rightly belong to Jerusalem as an extremist-led Israel has demonstrated its power over the self-anointed idiots who fancy themselves to be the “leaders” of the United States of America.

[Nakba: Britain and the Secret 1948 Palestine Memos](#)

By [Rayhan Uddin](#), May 16, 2023

Zionist armed groups, allowed to flourish in Palestine by the British over three decades and subsequently trained and armed by the colonial power, are sweeping across Palestinian towns and villages, forcibly displacing residents from house to house.

[A Timely Call for Peace in Ukraine by U.S. National Security Experts](#)

By [Medea Benjamin](#) and [Nicolas J. S. Davies](#), May 16, 2023

On May 16, 2023, The New York Times [published](#) a full-page advertisement signed by 15 U.S. national security [experts](#) about the war in Ukraine. It was headed “The U.S. Should Be a Force for Peace in the World,” and was drafted by the Eisenhower Media Network.

[Genetically Engineered Mosquito Experiment in California’s Central Valley Halted](#)

By [Friends of the Earth](#), May 16, 2023

In a victory for environmentalists, scientists and vulnerable agricultural communities across California, the California Department of Pesticide Regulation (DPR) [announced](#) yesterday the withdrawal of a permit request for a mass release of experimental genetically engineered mosquitoes in the Central Valley.

[Japan to Open NATO Liaison Office: Provocation Against China and Russia](#)

By [Ahmed Adel](#), May 16, 2023

Japanese Foreign Minister Yoshimasa Hayashi announced that his country is considering opening a NATO liaison office, demonstrating that Tokyo is deepening its ties with the US and becoming more hostile to China and Russia. Tokyo’s rapprochement with NATO would strengthen the anti-China/Russia alliance and advance the US plans to create a NATO-styled organisation in the Far East.

[Assassinating Vladimir Putin?](#)

By [Ron Unz](#), May 16, 2023

Although pro-Ukrainian forces had likely been responsible for the drone attack, our government provides all their funding, intelligence, and control, and such a momentous act must have been fully authorized by top American officials. Under Secretary of State Victoria Nuland is the Neocon responsible for Ukraine issues and McGovern believed she would have been the one who signed off on the strike against the Kremlin.

[The Oil and Gas Industry of Alberta Versus the Climate Change Preoccupations of the Liberal-NDP Alliance](#)

By [Prof. Anthony J. Hall](#), May 16, 2023

For decades the development of the separatist movement within Quebec proved most instrumental in threatening Canada’s confidence and coherence as a viable federation. This

dynamic, however, is changing. These days the most direct challenge to Canada's unified future is the growing constituency within Alberta starting to consider the possibility of moving towards sovereign independence.

[Will Lawsuits Bring an End to COVID Vaccines?](#)

By [Dr. Joseph Mercola](#), May 16, 2023

Drug companies have a legal responsibility to provide profits for their shareholders. They do not have a legal responsibility to give patients the best and safest treatment. But the biggest scandal is that those with the responsibility to uphold scientific integrity — academic institutions, doctors, medical journals — also collude with industry for financial gain.

[Big Bad Canada Pushes to Protect Profits from Mexico](#)

By [Yves Engler](#), May 16, 2023

Recently the Mexican government initiated more socially and ecologically sound mining legislation. The reform shortens mining concessions, tightens rules for water permits and requires companies to provide at least 10 per cent of profits to the communities where they operate.
