[Ottawa Should End Paradoxical Arms Deal with Saudis](#)

By [Canadians for Justice and Peace in the Middle East](#), October 28, 2018

After years of justified public opposition to the deal, **Prime Minister Justin Trudeau** finally [said](#) earlier this week that he might consider freezing or cancelling the deal. Any such ventures would likely have been doomed to failure. Italy was further hampered by being a resource-poor country, lacking the raw materials essential in conducting lasting wars. Mussolini only cancelled the invasions after learning that French intelligence had cracked some of his military codes.
