[Before Pointing its Finger at Russia and Syria, the U.S. Should Answer for Its Own Chemical and Biological Weapons Record](#)

By [Brian Kalman](#), September 24, 2018

Ambassador Nikki Haley has warned Syria, Iran and Russia that they will be held accountable for their pre-determined use of chemical weapons in Idlib on innocent civilians. No evidence was provided to support her threats. The United States carried out cruise missile strikes on two previous occasions, and each time provided no evidence to prove their assertion that the Syrian government used chemical weapons in attacking civilians, nor was any rational reason given for such an obviously irrational decision on the part of the Syrian state.

[Tensions Grow as China, Russia and Iran Lead the Way Towards a New Multipolar World Order](#)

By [Federico Pieraccini](#), September 24, 2018

Military and economic tensions are increasing due to the ramped up warlike stance of the US establishment. The impossibility of halting the shifting world order in favour of prolonging the unipolar moment has left the US deep state reaching for any available weapon at hand, taking no heed of the dangers and consequences of such a reckless foreign policy.

[Obtaining Nuclear Weapons Comes at a Great Psychological Price](#)

By [Shane Quinn](#), September 24, 2018

There is surely a severe cost afflicted on any nation that successfully acquires a nuclear arsenal. Not merely a financial burden but, more significantly, a psychological price that is paid by those who attain, safeguard and threaten the deployment of nuclear weapons. Their possession warps the persona of a state’s leaders, ensuring they become reckless, malevolent and unpredictable.

[Shutting Down Free Speech in America: Government and Lobbyists Work Together to Destroy the First Amendment](#)

By [Philip Giraldi](#), September 24, 2018

During the past several years, there has been increased pressure coming from some in the federal government aided and abetted powerful advocacy groups in the private sector to police social and alternative media. It is a multi-pronged attack on the First Amendment which has already limited the types of information that Americans have access to, thereby narrowing policy options to suit those in power.
