[Cognitive Impairment in Adults - What Role Did COVID Vaccines Play?](#)

By [Igor Chudov](#), July 19, 2023

When the COVID-19 vaccines were brought to market, due to their design I expected them to have safety issues, and I expected over the long term, a variety of chronic issues would be linked to them. This was because there were a variety of reasons to suspect they would cause autoimmune disorders, fertility issues and cancers—but for some reason (as shown by [the Pfizer EMA leaks](#)), the vaccines had been exempted from being appropriately tested for any of these issues prior to being given to humans.

[Impoverishing Ukraine: “Western Political and Business Interests Integrated Into the Ukrainian State”](#)

By [Andrea Peters](#), July 20, 2023

In addition to breaking up whatever was left of Soviet-era nationalized property and the social welfare state, austerity measures were aimed at disciplining Ukraine’s oligarchs. While their wealth was accumulated on the basis of the country’s integration into the world market, and thus made possible and sustained by the centers of global capital, investors from the West hesitated to descend directly into the dog-eat-dog world of Ukrainian big business, where bribe-taking, ever-changing economic laws, tax rates that on paper sometimes exceeded profits, and the use of bankruptcy for profiteering were rampant.

[Is Climate Engineering Real?](#)

By [Dr. Joseph Mercola](#), July 20, 2023

Intentional geoengineering — including solar dimming — has been going on for more than 70 years and has exponentially expanded in more recent years. A geoengineering map,⁵ created by the ETC Group and the Heinrich Boell Foundation, shows how geoengineering

projects have expanded from some 300 in 2012, to more than 1,700 in 2023.

[Ukraine's Unrelenting Demographic Collapse. Towards a Failed State under Kiev Nazi Regime](#)

By [Drago Bosnic](#), July 19, 2023

Prior to the unfortunate dismantling of the Soviet Union, [Ukraine was one of its most prominent republics](#), even rivaling Russia itself in numerous aspects. In many ways, it was a sort of "Soviet California", as approximately 30% of the USSR's massive industrial and scientific might was situated precisely in Ukraine.

[The Asinine Insanity of the 'Climate Change'/CO2 Hoax: Kill the Cows to Save the Earth!](#)

By [Gary D. Barnett](#), July 19, 2023

I must preface my comments here with sane logic, so as to ward off the absurd idiots who have bought hook, line, and sinker, the madness of the mainstream media, the political class, the non-science 'scientists,' the fake environmental whackos, the evil UN, the illegitimate IPCC, and the staged marketing of the ever-pathetic rantings of the once teenage bimbo ignoramus, Greta Thunberg, about man's normal activity destroying the 'planet.' It is just not so!

[US Expected to Announce New \\$1.3 Billion Weapons Package for Ukraine](#)

By [Dave DeCamp](#), July 19, 2023

The Biden administration is expected to announce a new \$1.3 billion weapons package for Ukraine in the coming days, [Reuters reported](#) on Tuesday, citing two unnamed US officials.

[USAID Chief Samantha Power Announces Hundreds of Million in Aid to Ukraine](#)

By [Kyle Anzalone](#), July 19, 2023

USAID Head Samantha Power rolled out multiple aid packages [totaling hundreds of millions](#) of dollars during a multi-day trip to Ukraine. The civilian assistance was announced as the White House prepares a [\\$1.3 billion tranche](#) of weapons for Kiev.

[US Using Ukraine as Disposal Ground for Banned Cluster Bombs: Colonel](#)

By [Al Mayadeen](#), July 19, 2023

Former Pentagon analyst and Air Force Lieutenant Colonel, Karen Kwiatkowski, has criticized the US decision to provide [cluster munitions](#) to Ukraine, stating that the Pentagon is eager to unload them due to their ban in many countries. Kwiatkowski believes that the Pentagon's interest lies in clearing old inventory to make way for more profitable weapons.

[Australia, Deserved Cancellations: Victoria Rejects the Commonwealth Games](#)

By [Dr. Binoy Kampmark](#), July 19, 2023

Hosting sporting events has always been a government's formula to distract their seducible subjects. It's the secular version of smells and bells, the warbling of the church choir turned into flesh and performance. If such occasions are of sufficient scale, they might even be political promotions, body beautiful types paraded and performing before clapping and glorifying spectators.

[China-US Tensions: Kissinger's Surprise Trip to Beijing](#)

By [Andrew Korybko](#), July 19, 2023

To each side's credit, neither leaked the news about Kissinger's trip in advance, which suggests that they both feared that it could have been derailed had that happened. By successfully keeping this secret until after his planned talks with Defense Minister Shangfu finished, the Chinese and US leaderships showed one another that they sincerely wanted this informal dialogue to take place.
