## [The Corona War. They're Coming After Our Thoughts](#)

By [Dr. Emanuel Garcia](#), May 10, 2023

It came to me after a conversation I had with an Australian colleague who has been studying psychoanalytic psychotherapy at an institution in the United States. She was appalled and deeply saddened by her experiences within this institution during the period of the Corona War, because her instructors – seasoned and long-experienced psychoanalysts – were so ‘captured’ by the pro-pandemic pro-job pro-mask dictates that they brooked no disagreement.

Khader Adnan, 45, of Jenin in the occupied West Bank, died while on a hunger strike in an Israeli prison. He started the hunger strike on February 5, when he was arrested and sentenced in an Israeli military court and placed into “administrative detention”, which means detention without charges in abhorrent prison conditions.

## [The US Silence on Israeli Nuclear Weapons and the Right-wing Israeli Government](#)

By [Victor Gilinsky](#), May 10, 2023

The Israeli protests against its new right-wing government have now touched on Israel’s nuclear weapons. To underline what is at stake, former Israeli prime minister Ehud Barak cast aside Israeli ambiguity over whether it possesses nuclear weapons to [warn](#) his compatriots that Western diplomats are worried that a Jewish messianic dictatorship could gain control over Israel’s nuclear weapons.

## **WHO Plans to Launch Global Digital Health Certificate**

By [Mac Slavo](#), May 10, 2023

The World Health Organization (WHO) is still going ahead with its global digital health certificate even as it claims the COVID-19 pandemic is finally over. The medical tyranny being pushed on the public is still there and is only going to get worse.

## **Syria's Return to Arab League Is a Big Deal**

By [M. K. Bhadrakumar](#), May 10, 2023

Syria's return to the Arab League is seen as an Arab initiative, but it is quintessentially a project Riyadh steered through in close consultation and coordination with Damascus, ignoring some murmur by a clutch of Arab States and patently in defiance of Washington's trenchant opposition.

### **[High School Students Who Died Suddenly or Unexpectedly After Taking COVID-19 mRNA Vaccines. Foreign Deaths in 2021](#)**

By [Dr. William Makis](#), May 10, 2023

What you find in 2021 is that there were many deaths very soon after COVID-19 vaccination with Pfizer or Moderna. Most of these deaths cannot be found using Google and usual search terms. Google has censored almost all COVID-19 vaccine related deaths from its search engine. And some of the websites that reported these deaths are now offline.

### **[A Certain Form of Thieving: The US Banksters Strike Again](#)**

By [Dr. Binoy Kampmark](#), May 10, 2023

It looks like 2008 all over again. Economic and financial mismanagement feature in scorching, consuming brilliance. The culpable, bungling banksters, have returned with their customary, venal incompetence. In the customary script, they habitually seek the role of the public purse to socialise their losses. Along the way, they will avoid richly deserved prison sentences, lie low, and return to repeat their sins.
