## [Zionist Project Has Always Been Colonisation and Exclusion of Indigenous Palestinians](#)

By [Michael Jansen](#), March 02, 2023

The escalating violence in Israeli-occupied East Jerusalem and the West Bank has been inevitable for a long time. The century-old Zionist project in Palestine has always been colonisation and exclusion or subjugation of indigenous Palestinians. The problem is, of course, that the Zionists and Israel launched their project as European colonisation of Asian, African and American territories was winding down and indigenous independence movements were rising up against colonial masters.
