[Video: COVID Nurse Whistleblower](#)

By [Children's Health Defense](#), April 29, 2024

From corruption in testing to ventilator harms, death certificate distortion to discrimination of the unvaccinated and more — what she witnessed flies in the face of the pervasive narrative from public health officials and media organizations across the globe.

[Another US Pilot Confirms F-16s in Ukraine Are Toast](#)

By [Drago Bosnic](#), April 30, 2024

Ever since the special military operation (SMO) started, [one of the most persistent tropes has been the one about Western “wunderwaffen” defeating the “evil Russian shovel-wielding hordes”](#). And yet, the only result of these ludicrous delusions has been that museums across Russia have [drastically increased their collections of weapons](#) that various [foolish invaders have tried using against the Eurasian giant](#).

[Students Trigger to Stop Wars? Top Universities Pro-Palestine Encampments - A Shift Towards Justice or Just Illusion?](#)

By [Peter Koenig](#), April 30, 2024

Knowing that these largely Zionist-funded universities are likely going to crack down on these encampments - what has already started - students may be suspended. Then, all of a sudden appears a more sobering set of news - namely that Soros's Open Society Foundation is funding most of the student anti-Israel protests, as [reported three days ago by RT](#).

[Is US Officialdom Insane? The US Is Trying to Bully China](#)

By [Kim Petersen](#), April 29, 2024

The Russia-China relationship is solid. China's economy is growing strongly. Scores of countries are clamoring to join BRICS+ and dedollarization is well underway. Yet, the US continues to try to bully the world's largest - and still rapidly growing - economy.

[COVID mRNA Jabs Could “Trigger Dementia”? Prion Production and Neurodegenerative Diseases? Evidence](#)

By [Dr. Joseph Mercola](#), April 29, 2024

According to mounting data, one of the more serious side effects of the COVID mRNA jabs appears to be dementia, and worse yet, this previously untransmissible disease may now be “contagious,” transmissible by way of prions.

[The Deployment of NATO Combat Troops in Ukraine, “Arriving in Large Numbers”](#)

By [Uriel Araujo](#), April 29, 2024

In a disturbing and rather underreported [development](#), NATO is starting to deploy combat troops to Ukraine, with British, French, Polish and other soldiers arriving in large numbers.

[Anzac and the Pageantry of Deception](#)

By [Dr. Binoy Kampmark](#), April 30, 2024

The events of April 25, known in Australia as Anzac Day, are saccharine and tinged about sacrifice, a way of explicating the unmentionable and the barely forgivable. But make no mistake about it: this was the occasion when Australians, with their counterparts from New Zealand as part of the Australian New Zealand Corps, foolishly bled on Turkish soil in a doomed campaign. Modern Australia, a country rarely threatened historically, has found itself in wars aplenty since the 19th century.
