## [The COVID Plandemic: Fear Is the Name of the Game - The Legal Approach](#)

By [Reiner Fuellmich](#), April 11, 2023

We know now, of course that up until the start of the “vaccination” campaign there were no excess deaths anywhere. The spikes in New York and Bergamo were the result of the panic and gross medical malpractice: 94% of the people who allegedly died of Covid in both cities, died of completely different causes.

## [Calculated Misrepresentations: The US Withdrawal from Afghanistan](#)

By [Dr. Binoy Kampmark](#), April 11, 2023

Succeeding administrations have a chronic habit of blaming their predecessors. The Biden administration has been most particular on the issue, taking every chance to attack former President Donald Trump for the ills of his tenure. But the effort to almost exclusively lay blame at Trump’s door for the US fiasco in Afghanistan was a rich one indeed, given the failings of the George W. Bush and Obama administrations in that historically doomed theatre of conflict.

## [Spike Protein Accumulates in the Brain and Causes Infarcts, Bleeds, Inflammation - Pfizer & Moderna COVID-19 mRNA Vaccines Cause Severe Neurological Injuries](#)

By [Dr. William Makis](#), April 11, 2023

A new paper from Germany posted on April 5, 2023 proves that the spike protein accumulates in the brain and causes death of brain cells (which would certainly explain a great deal of what we see around us).

## [How Long Have You Been Consuming Gene Theraped Pork?](#)

By [Dr. Joseph Mercola](#), April 11, 2023

For the last couple of years, I've recommended not eating pork due to its high [linoleic acid](#) (LA) content, but there's an even bigger reason to avoid it now. Since 2018, pork producers have been using customizable mRNA-based "vaccines" on their herds, and this has slipped completely under the radar.

## [No Hope for Ukraine: Losing Artillery = Losing the War](#)

By [Karsten Riise](#), April 10, 2023

Ukraine is running out of artillery shells and NATO cannot deliver. The Washington Post admits that Ukraine faces a [critical ammunition shortage](#) which has no solution. In desperation, Ukrainians silence their guns, collect dangerous unexploded ordinance, and try to make improvised artillery shells. This is ultimately an artillery war. See [this](#).

## [China-India Relations: Beijing Harshly Condemned Indian Home Minister's Visit to Disputed Himalayan Territory](#)

By [Andrew Korybko](#), April 10, 2023

This latest development escalates the rhetoric between them because it's no small matter that China just accused India of violating its territorial sovereignty. Indian Home Minister Amit Shah's [visit](#) to the Delhi-controlled disputed Himalayan territory of Arunachal Pradesh, which China calls South Tibet, prompted a harsh condemnation from Beijing.

## [Nazi Skeletons in Finland and Sweden's Closets](#)

By [Matthew Ehret-Kump](#), April 10, 2023

While Finland likes to celebrate the fact that their 1941-1944 war with Russia had nothing to do with WWII, but was simply a defensive alliance with Germany against the evil Soviet Union, and while Sweden likes to celebrate the fact that it remained neutral during WWII, the facts tell a very different story.

## [Allen Dulles, the CIA and the Rise of the Deep State](#)

By [Edward Curtin](#) and [Regis Tremblay](#), April 10, 2023

A totally riveting conversation with Ed Curtin about how Allen Dulles, his brother John Foster Dulles aided Hitler and Nazi Germany in WWII and master mined Operation Paper Clip which brought hundreds of Nazis to the US, Canada, Argentina and elsewhere and put them in high ranking position like Verner Von Braun, a Nazi, as the head of NASA.

## **[The Bombing of Nord Stream – This Act of War Against Europe Requires Congressional Investigation: Dennis Kucinich](#)**

By [Dennis Kucinich](#), April 10, 2023

President Biden’s own statements predicting the end of Nord Stream, preliminary to the devastating attack on its infrastructure, point to the necessity of determining whether or not the president was speaking from his singularly informed position of the Chief Executive, as Hersh indicated.

## **[Remarkable German Peace Initiative Calls for Rapid Peace Negotiations](#)**

By [Marc Vandepitte](#), April 10, 2023

In an open letter, prominent Social Democrats, trade union leaders and well-known representatives from the peace movement are calling on Chancellor Scholz to step up efforts to mediate a cease-fire in the war in Ukraine. Peace, they say, can only be achieved “on the basis of international law and also only with Russia.” What are we waiting for in other Western countries to launch a similar initiative?
