By [Lawrence Freeman](#), June 29, 2022

The addition of all the monetary values of an economy's goods and services measured in GDP, does not determine economic growth. No aristocrat is progressive (for majority-rule — “democracy”); all are instead either overtly conservative (for “fascism,” another term for which is [“corporationism”](#)), or else noblesse oblige or hypocritically conservative (“liberals”), people who are pretending to care about the public as being something more than merely their markets (consumers they sell to) or else their workers (their employees or other agents, such as lobbyists).

### [Creating Cold War Conditions in Asia Isn't Easy](#)

By [M. K. Bhadrakumar](#), June 30, 2022
