[“Get Money out of Politics”: DNC Emails Reveal a Corrupt and Unreformable Party and System](#)

By [Gloria La Riva](#), July 27 2016

Amid a new scandal Debbie Wasserman Schultz was left no alternative but to step down from her role as the Chairwoman to the DNC, the Democratic National Committee, in seeking to sabotage Bernie Sanders’ challenge to Hillary Clinton for the nomination.

[Jill, not Hill! Activists in Philadelphia Shift Their Support to Green Party Candidate Jill Stein](#)

By [Stephen Lendman](#), July 27 2016

Activists in Philadelphia’s downtown plaza chanted “Jill, not Hill.” Jill Stein, presumptive Green Party presidential nominee, a longtime physician/activist, a true populist, wanting her professional skills used to heal a sick nation. It desperately needs what she can provide, media-supported corrupted duopoly power denying her the chance to become president by virtually ignoring her candidacy, opposing what she stands for.

[Palestine: Both Trump and Clinton Would Approve Illegal Annexations as Demanded by the US-Israel Lobby](#)

By [Anthony Bellchambers](#), July 27 2016

Hugely increased arms shipments and loans would be the policy of the new White House for a US-armed Israel to dominate the Middle East on behalf of America Whoever is elected US president next November, whether Republican nominee Donald Trump or Democrat Hillary Clinton, they will likely have the advantage of hundreds of millions of dollars in casino funds plus the power of the AIPAC lobby in Washington and the CFI lobby and BICOM in London all being either key players or major factors in an international movement to legalise the Israeli occupation of the West Bank, East Jerusalem and the Golan Heights.

[NSA Whistleblower: Not So Fast On Claims Russia Behind Hillary Clinton Email Hack](#)

By [Washington's Blog](#), July 27 2016

The mainstream media alleges that Russia was behind the hack of Hillary Clinton's emails. The media is parading out the usual suspects alleged experts to back up this claim. Washington's Blog asked the highest-level NSA whistleblower in history, William Binney the NSA executive who created the agency's mass surveillance program for digital information, who served as the senior technical director within the agency, who managed six thousand NSA employees, the 36-year NSA veteran widely regarded as a "legend" within the agency and the NSA's best-ever analyst and code-breaker, who mapped out the Soviet command-and-control structure before anyone else knew how, and so predicted Soviet invasions before they happened ("in the 1970s, he decrypted the Soviet Union's command system, which provided the US and its allies with real-time surveillance of all Soviet troop movements and Russian atomic weapons") – what he thinks of such claims.
