[It's the End of the World As We Know It. The American-NATO Rush Toward Nuclear War with Russia. Scott Ritter](#)

By [Scott Ritter](#), June 24, 2024

Last month, on May 6, the Russian Ministry of Defense announced that it would, on the orders of Russian President Vladimir Putin, conduct exercises involving the use of non-strategic nuclear weapons. According to Russian officials, the exercises were a response to “provocative statements and threats from certain Western officials directed at the Russian Federation.”

[The AI Bubble “Makes AI Bubble”, AI = Deficient Technology](#)

By [Karsten Riise](#), June 24, 2024

The CEO Sam Altman from OpenAI travels the World to ask for \$7 trillion for investment into AI and related technologies, including new chip factories, humongous datacenters, land, and even nuclear power to run AI's insatiable appetite for energy. Yes, \$7 trillion. This is more than the entire US federal budget in 2023, which at “only” \$6 trillion is already too big to finance sustainably for the USA, the biggest economy in the World (measured in GDP).

[Playing God: An Investigation Into “Medical Democide” in the UK](#)

By [Dr. Joseph Mercola](#), June 24, 2024

The documentary features testimonials from families affected by these dangerous practices, as well as analyses from medical professionals and legal experts, aiming to shed light on “medical democide,” — death or harm caused by government policies or health care practices. The film suggests that systemic issues deeply ingrained in the NHS hinder the delivery of humane care, from birth to the end of life.

[Why Does the Government Borrow When It Can Print?](#)

By [Ellen Brown](#), June 24, 2024

It is cheaper to print money outright than to borrow money at interest that is never repaid. The Greenbackers who marched on Washington in 1897 were right. We should be printing the money - not for speculative ventures (“unearned income”) but for productive endeavors.

[Ukrainians Dying in Their Hundreds of Thousands So US Weapon Manufacturers Can Profit](#)

By [Ahmed Adel](#), June 24, 2024

Washington has spent \$1.8 trillion over the 20-year failed military campaign in Afghanistan to defeat the Taliban, whilst aid to Ukraine in just a little more than two years has already reached \$175 billion dollars, according to a Council on Foreign Relations report published on May 9.

[Washington Faces Defeat in Red Sea Donnybrook](#)

By [Mike Whitney](#), June 24, 2024

The Houthis have agreed to end their attacks on commercial traffic in the Red Sea if Israel allows the delivery of humanitarian aid to the Palestinians. This is not just a reasonable proposal, it’s a policy that is supported by the vast majority of people around the world.

[G7 Italy: A Summit of War. Manlio Dinucci](#)

By [Manlio Dinucci](#), June 24, 2024

They denounce Russia for “the brutal and unjustifiable war of aggression against Ukraine, and for the blatant violation by it of international law and the fundamental principles that underlie the international order.”
