[Fabricated Claims About Russian “Covert Plot” to Disrupt US Elections](#)

By [Stephen Lendman](#), September 08 2016

Hillary is so irreparably tainted and unfit to serve, her key strategy is diverting attention from her wrongdoing two ways – bashing Trump beyond customary campaign jousting and spreading misinformation and Big Lies about Russia, using the media as press agents to do her dirty work.

[A Lousy Dancer: Putin’s Getting Blamed for All of Hillary’s Problems](#)

By [Israel Shamir](#), September 08 2016

A lousy dancer blames the uneven floor, and Mme Clinton had proven to be an unexpectedly lousy dancer in the competition for the presidency against the blundering New York tycoon. We would expect her to win or lose graciously, as befits a former First Lady, but gosh, she is clumsy – and blames her lack of grace on poor Mr Putin.

[Hillary Clinton, a Neocon and a War Hawk. Would the World Survive a “Killary Presidency”?](#)

By [Steven MacMillan](#), September 08 2016

“There has never been a man or a women – not me, not Bill, nobody – more qualified than Hillary Clinton to serve as the President of the United States of America” – Barack Obama speaking at the Democratic National Convention. There he goes... the liar in chief is at it again: inverting reality and spouting some of the most transparent BS in modern history. The fact that Obama can stand up there and give such an outlandish endorsement of Killary is truly emblematic of his main strength: his ability to deceive.

[China Challenges US Dollar Hegemony, Seeks New Global Financial Order](#)

By [Ariel Noyola Rodríguez](#), September 08 2016

During the first Annual Summit organized by the Asian Infrastructure Investment Bank (AIIB) in Beijing, China has shown her intention to take over the global leadership in infrastructure investment. By the end of this year, AIIB would have more than 100 members, making it the first lending institution in multilateral loans in history, under the control of the most important emerging countries. Yet, it is expected that she makes the decision of dropping off the Dollar, as it is the only way to break away from US hegemony in international finance.

[Islamic State, Lone Wolf Attacks, and Australia](#)

By [Dr. Binoy Kampmark](#), September 08 2016

Those imaginative creatures scribbling for *Rumiyah*, an Islamic State publication that combines wishful thinking with equally wishful views of the world, decided to shine a spotlight on Australia. Well done indeed. "Light the ground beneath them aflame and scorch them with terror." This agitated language had been motivated, in part, by the death of Ezzit Raad, an Australian jailed in connection with the 2005 plot to blow up the Melbourne Cricket Ground. Raad left Australia with brother Majed in 2013, months after his release. Islamic State subsequently announced that Raad was killed in July in the Syrian city of Manbij or, as *Rumiyah* preferred, when "a piece of shrapnel struck him and tore his chest open."
