Global Research, October 15, 2018

For seventeen years, Global Research, together with partner independent media organizations, has sought Truth in Media with a view to eventually “disarming” the corporate media’s disinformation crusade.

To reverse the tide of Facebook and Search Engine manipulations, we call upon our readers to participate in an important endeavor.

Global Research has over 50,000 subscribers to our Newsletter.

Our objective is to recruit one thousand committed “volunteers” among our 50,000 Newsletter subscribers to support the distribution of Global Research articles (email lists, social media, crossposts).

Do not send us money. Under [Plan A](#), we call upon our readers to donate 5 minutes a day to Global Research.

Global Research Volunteer Members can contact us at crg.online@yahoo.com for consultations and guidelines.

If, however, you are pressed for time in the course of a busy day, consider [Plan B](#), Consider Making a [Donation](#) and/or becoming a [Global Research Member](#).
