[On the Arrest of Telegram's Founder, Pavel Durov: How to Fight Censorship as Globalists Expand their War on Truth](#)

By [Timothy Alexander Guzman](#), September 03, 2024

Any information or opinion on Israel's genocide on the Palestinians, the Russia-Ukraine conflict, human rights issues around the world, Covid-19 vaccines, the dangers of GMO food, agendas of the *World Economic Forum* (WEF) and so on, Big Tech is there to censor the story.

[Hezbollah Replies to Israel While Preventing Netanyahu's Plan for a Regional War](#)

By [Steven Sahiounie](#), September 03, 2024

The Israeli military is attempting to pull Hezbollah into a full-scale regional war, through the massive and continuous airstrikes across the south of Lebanon and into the Bekaa Valley. Only Netanyahu benefits from this plan so that he can remain in power and stay out of jail due to being found guilty of corruption.

[Zelensky Faces Backlash in Ukraine After Kursk Raid Weakened Donetsk Frontline](#)

By [Ahmed Adel](#), September 03, 2024

Ukrainian President Volodymyr Zelensky has faced a barrage of criticism from soldiers, lawmakers, and military analysts over the rapid advances made by the Russian army in Donbass since Kiev launched its incursion into Russia's Kursk region, the Financial Times reported.

[Is Russia on the Brink of Reviving the Grain Deal with Ukraine with the Support of](#)

Turkey?

By [Andrew Korybko](#), September 03, 2024

Foreign Minister Lavrov revealed on Monday that Russia was on the brink of reviving the grain deal this spring as a result of Turkish mediation until Ukraine suddenly dropped out of the talks. This disclosure is surprising since that same deal was much-maligned by Russia's supporters at home and [abroad](#) after Russia refused to extend it last summer.

Germany Elections and Its Growing Economic and Political Crisis

By [Dr. Jack Rasmus](#), September 03, 2024

The declining condition of Germany's economy as the 'economic engine' of Europe reveals that perhaps the 'Plan B' purpose of Biden/US Russia sanctions on Russia has been to make Germany/EU more economically dependent on the USA.

On a Highway to Hell: Nuclear Weapons Offer an Illusion of Security. Scott Ritter

By [Scott Ritter](#), September 03, 2024

Once he became president, Biden was immediately confronted with two major challenges for which he was ill-equipped to handle — the Russian-Ukraine crisis, and China's assertion of its national interests over Taiwan and the South China Sea. Both involved the potential of military escalation leading up to direct force-on-force conflict between the U.S. military and their Russian and Chinese counterparts, both of which included the possibility of nuclear war.

The National Security State Is Killing Free Speech. Dr. Philip Giraldi

By [Philip Giraldi](#), September 02, 2024

The Biden administration has taken the incestuous relationship with its law enforcement and intelligence agencies even farther. It sought to establish a ["Disinformation Governance Board"](#) at the Department of Homeland Security which would have been empowered to denounce the credibility of citizens who were complaining about what the government was doing based on the fiction that what was taking place was deliberate disruption of the government using false information.
