[From Hegemony to Multipolarity: How Post-Cold War U.S. Foreign Policy Towards Russia Is Creating a Modern Eurasia](#)

By [Adeyinka Makinde](#), March 22, 2023

The present conflict between Russia and Ukraine is arguably the culmination of the foreign policy pursued by the United States of America since the ending of its ideological Cold War with the Soviet Union.

[California Farmers: “We’ve Lost Everything” - \\$ Billions of Food Lost in Floods in State that Produces Half of America’s Agriculture](#)

By [Brian Shilhavy](#), March 23, 2023

The emphasis today is still on saving people’s lives as the rain and flooding continue, and nobody knows yet what the final damages will be to America’s richest farmlands and how that will impact food security in the United States, and the nation’s already fragile economy. Almost half of California’s agricultural products are exported to other countries.

[“Market Socialism” and the Destruction of the Socialist Federal Republic of Yugoslavia](#)

By [Dr. Vladislav B. Sotirović](#), March 22, 2023

It will pass 33 years since the first post-WWII “democratic and multiparty” elections in all six Yugoslav republics in 1990. Next year, however, not only that this country did not exist anymore but the Yugoslavs have been faced with a civil war as a result of the post-Cold War “democratization process”.

'Smart' Masks for Cows? Bill Gates Invests \$4.7 Million in Data-Collecting "Faceware for Livestock"

By [Dr. Suzanne Burdick](#), March 22, 2023

The Bill & Melinda Gates Foundation this month awarded a \$4.8 million grant to a company that sells "smart" face masks for cows. [ZELP](#), which stands for Zero Emissions Livestock Project, claims its artificial intelligence (AI) mask technology for livestock will reduce methane emissions — considered to be a [main greenhouse gas](#) — and curb climate change.

For Second Time, US Seeks to Sabotage a Russo-Ukraine Negotiated Peace

By [Walt Zlotow](#), March 22, 2023

A year ago when NATO member Turkey neared a 15 point negotiated settlement, the US and UK each sent a top official to Kyiv not to request, but demand that Ukraine President Zelensky walk away to keep fighting. That grotesque demand led to over 100,000 unnecessary Ukraine deaths over the next year. A third of the Ukraine economy vanished. Six million left Ukraine and another six million relocated.

Forever Wars vs. Armageddon

By [Ann Garrison](#), March 22, 2023

While the world's attention is focused on the US proxy war with Russia in Ukraine, 900 US troops continue to occupy Syria, as they have [since 2017](#), and 2,000 remain stationed in Iraq, 20 years after the US attacked, overthrew its government, and hung its president. Around 500 have been in Somalia since Biden [redeployed them](#) in June 2022.

The Lord of Chaos. "The Politicians Who Lied to Us Extinguished Millions of Lives". Chris Hedges

By [Chris Hedges](#), March 22, 2023

The politicians and shells in the media who orchestrated 20 years of military debacles in the Middle East, and who seek a world dominated by U.S. power, must be held accountable for their crimes.

[When Will We Profess the Unity of the Human Race?](#)

By [Dr. Rudolf Hänsel](#), March 22, 2023

It is becoming increasingly difficult to find one's way through the jungle of lies and half-truths. More and more contemporaries therefore do not want to hear anything more from politicians. Personally, the alternative media keep me "afloat" because they still "pay tribute to the truth" due to their independence from government.

[Georgia College Student on Life Support with Brain Bleed After Trip to Mexico. Just Like Brain Aneurysms, AVMs Are Also at Risk for Rupture & Bleed from Pfizer & Moderna COVID-19 mRNA Vaccines](#)

By [Dr. William Makis](#), March 22, 2023

Liza Burke, a UGA senior, was in Cabo San Lucas with a "big group of friends" for her "last spring break" when, on March 10, she complained of a headache at breakfast. "A few hours later, her friends called the doctor because they couldn't wake her. She was immediately rushed to the hospital where she was diagnosed with Arteriovenous malformation (AVM) which cause her brain to hemorrhage."

[Transition from Year 1 B.C. \(Before Corona\). Secrecy and the New Zealand Government in the "Year of Our Democide"](#)

By [Dr. Emanuel Garcia](#), March 22, 2023

In the year 1 B.C. (Before Corona), we here in New Zealand were getting along rather well. Despite the exorbitant cost of food and housing, the majestic and available beauty of the physical country gave us immeasurable comfort. Our government, we thought, might not have been the most efficient one in the world, nor the one most populated with high intelligence, but it seemed to make an effort to represent its citizenry and to provide basic services.
