[Global COVID Summit Declaration Representing 17,000 Physicians and Medical Scientists](#)

By [Dr. Robert Malone](#), May 15, 2022

We, the physicians and medical scientists of the world, united through our loyalty to the Hippocratic Oath, recognize that the disastrous COVID-19 public health policies imposed on doctors and our patients are the culmination of a corrupt medical alliance of pharmaceutical, insurance, and healthcare institutions, along with the financial trusts which control them.

[Palestinian Flag Is Raised in Jerusalem as American Journalist Is Laid to Rest](#)

By [Steven Sahiounie](#), May 16, 2022

On Friday, the funeral route began at the French Hospital just outside the New Gate at noon. As the pallbearers lifted her coffin onto their shoulders in the process of loading the coffin into a hearse, the Israeli police set off stun grenades and rushed forward and brutally beat the pallbearers and other mourners, including women, with metal batons.

[The Removal of Imran Khan: Dismantling Pakistan's Relationships with China and Russia](#)

By [Michael Welch](#) and [Abdul Jabbar](#), May 15, 2022

On this week's Global Research News Hour, Jabbar, this week's feature guest, takes us through just how far back the new government in charge has taken the country already, away from partnership with Russia and China and towards advancing U.S. geopolitical aims.

[Rogues and Spyware: Pegasus Strikes in Spain](#)

By [Dr. Binoy Kampmark](#), May 15, 2022

Spain's Prime Minister Pedro Sánchez, Defence Minister Margarita Robles, Interior Minister Fernando Grande-Marlaska, and 18 Catalan separatists are the latest high-profile targets to feature in the Pegasus canon. Sánchez's phone was hacked twice in May 2021, with officials claiming that there was at least one data leak.

[Are These Chemicals Part of a Depopulation Agenda? "Chemicals can Impact Fertility Directly or Indirectly". Environmental Factors](#)

By [Dr. Joseph Mercola](#), May 15, 2022

A great number of chemicals can impact fertility either directly or indirectly, but the most concerning class are endocrine disrupting chemicals (EDCs) such as phthalates. EDCs disrupt hormones, including sex hormones necessary for reproductive function, such as testosterone.

[Weapons and Billions for War](#)

By [Manlio Dinucci](#), May 15, 2022

Well-deserved congratulations: while the U.S. Congress is allocating an additional \$40 billion to arm Kiev's forces in the war against Russia, adding to the \$14 billion already allocated in March, Draghi has been working to open a similar channel of war funding in Europe through a "European Union Solidarity Trust Fund for Ukraine" and a "resilience package" worth an initial €2 billion provided to Kiev by the European Bank for Reconstruction and Development.

[Can Europe Survive Without Russian Coal and Oil? Here's What It Means for Skyrocketing Prices...](#)

By [Chris MacIntosh](#), May 15, 2022

So the EU, already in the middle of the worst energy crisis since the Arab oil crisis and likely worse, is now pushing to eliminate imports of Russian coal. Just so you understand the importance of Russian coal to Europe... Some 70% of Europe's thermal coal comes from Russia. Coal accounts for about 20% of continental Europe's electricity production (as of 2019; perhaps it is 25% now).

[Video: Dr. McCullough: Battling the Biopharmaceutical Complex for Our Lives](#)

By [Dr. Peter McCullough](#), [John Leake](#), and [Kristina Borjesson](#), May 15, 2022

A fascinating discussion with Dr. Peter McCullough and crime writer John Leake about their new book, "The Courage to Face COVID-19: Preventing Hospitalization and Death While Battling the Biopharmaceutical Complex."

[When Truth is Mixed with Falsehoods: The Subtleties of Anti-Russia Leftist Rhetoric](#)

By [Edward Curtin](#), May 15, 2022

The right-wing and the neocons are obvious in their pernicious agendas; nothing is really hidden; therefore they can and should be opposed. But many leftists serve two masters and are far subtler. Ostensibly on the side of regular people and opposed to imperialism and the predations of the elites at home and abroad, they are often tricksters of beguiling rhetoric that their followers miss. Rhetoric that indirectly fuels the wars they say they oppose.

[Why Funding Ukraine Is Just Dead Wrong](#)

By [Revolver](#), May 15, 2022

If the Biden Administration cared about protecting America's well-being, then instead of financing Ukraine's war effort, it would be working for a negotiated end to the war by the quickest means possible.
