### [What’s Really Going on with Oil?](#)

By [F. William Engdahl](#), January 24 2016

If there is any single price of any commodity that determines the growth or slowdown of our economy, it is the price of crude oil. In June 2014 major oil traded at \$103 a barrel. With some experience following the geopolitics of oil and oil markets, I smell a big skunk.

### [The Economic and Political Crisis in Moldova](#)

By [Victor Josu](#) and [J. Hawk](#), January 24 2016

On January 24, 2016 in Moldova is expected another wave of protests against the oligarchic regime. In the video we depict the history and roots of the conflict as well as the current explosive situation in Moldova.

### [Tony Blair Queried, Again, Over Nature of Burma Dealings](#)

By [Saw Yan Naing](#), January 24 2016

Former British prime minister Tony Blair was back in Burma earlier this month for at least his fifth visit since a quasi-civilian government assumed power under President Thein Sein.

### [Brazilian Academics Join Campaign to Boycott Israeli Institutions](#)

By [USACBI](#), January 24 2016

In just three days, an online letter endorsing the academic boycott of Israeli institutions, circulated by Brazilian intellectuals, received 200 signatories from faculty across Brazilian

universities.

[Video: The Fabricated Pretexts for War](#)

By [Prof. Tim Anderson](#), January 23 2016

A brief selection of the fabricated pretexts for war, employed by the big power in recent decades. This is far from a comprehensive list, just some examples to inform and remind.
