[Advise to the UN Summit of the Future: Establish a Global Governance Body to Control All Life Supporting Systems on the Planet](#)

By [Jacob Nordangard](#), July 12, 2024

I recently became aware of a policy brief with recommendations for the 2024 [Summit of the Future](#), which lays out in plain terms what our “Overlords” have in store for us. It reads like a plot from a Bond-movie.

[Hungary's President Viktor Orbán - The European Peacemaker or International Game Changer?](#)

By [Peter Koenig](#), July 12, 2024

With the EU's and NATO's wrath and vehement disapproval, President Viktor Orbán of Hungary used the occasion of Hungary's European Union Presidency from 1 July to 31 December 2024, to go on a peace mission. Mr. Orbán wants peace against the will of the EU and against the mandate of NATO.

[Army Moves to Ban “Extremism”, Repeal the Truth](#)

By [Emanuel Pastreich](#), July 12, 2024

The issue by the Army of a directive entitled “Handling Protest, Extremism, and Criminal Gang Activities” on June 14, 2024, essentially forbids the discussion of any issues that the military designates as “extremist” by any member of the army, even when off duty.

Similar to Biden, NATO Is Aged and Unfit for Leadership

By [Medea Benjamin](#), July 12, 2024

At 75, NATO has not aged well. Back in 2019, French President Emmanuel Macron was already sounding the alarm, [accusing](#) NATO of being “brain dead.” While Russia’s invasion of Ukraine has given NATO a new lease on life, NATO’s embrace of Ukraine actually [makes the conflict](#)—and the world—more dangerous.

UK Prime Minister Keir Starmer: Was He “Elected” or “Selected”? He Started His Election Campaign in Davos. “Favourite Candidate” of the World Economic Forum (WEF)

By [Prof Michel Chossudovsky](#), July 11, 2024

Keir Starmer, leader of the remodelled Labour Party is now Britain’s “progressive” Prime Minister. As we recall Keir Starmer was invited to Davos back in January 2024, by the World Economic Forum. Ironically, Starmer started his election campaign in the Swiss Alps, in conformity with Klaus Schwab’s Fourth Industrial Revolution.

An Injection of Truth: The Ongoing Covidian Controversy in Alberta

By [Prof. Anthony J. Hall](#), July 11, 2024

The Canadian government is extending its Covidian preoccupations by trying to push the population into embracing a broad array of synthetic biology initiatives. In other words, the senior figures in the Trudeau government once again see nothing wrong with putting the untested and unknown consequences of genetic modification at the forefront of Canadian health care.

Britain’s Pathological Russophobia: Prime Minister Keir Starmer Supports “Unrestricted Use of its Long-range Weapons Against Moscow”

By [Drago Bosnic](#), July 11, 2024

Starmer’s Labour Party won the general election on July 4, with him confirmed as the new PM on July 5. Just four days later, he reiterated that the British government [supports the unrestricted use of its long-range weapons against Moscow](#).
