Dear Readers,

More than ever, Global Research needs your support. Our task as an independent media is to “Battle the Lie”.

“Lying” in mainstream journalism has become the “new normal”: mainstream journalists are pressured to comply. Some journalists refuse.

Lies, distortions and omissions are part of a multibillion dollar propaganda operation which sustains the “war narrative”.

While “Truth” is a powerful instrument, “the Lie” is generously funded by the lobby groups and corporate charities. And that is why we need the support of our readers.

[Humanity’s ‘Dirty Little Secret’: Starving, Enslaving, Torturing and Killing Our Children](#)

By [Robert J. Burrowes](#), June 25, 2018

Every day, according to some estimates, human adults kill 50,000 of our children. The true figure is probably significantly higher. We kill children in wars. See, for example, [‘Scourging](#)

[Yemen](#)'. We kill them with drones. We kill them in our homes and on the street. We shoot them at school.

Instead of providing 'safe and legal routes' to refugees, a growing number of countries on the migration path from Greece to Western Europe are adopting the **Donald Trump** solution of building walls, militarising borders and constructing barbed wire barriers to stop people entering their country. Undocumented refugees (a majority of them women and children) who are trying to pass through Europe's no-longer borderless Schengen area are at times subjected to humiliation and violence or are detained in rudimentary camps with minimal access to the essentials they need to survive.

[How the US, Under Obama, Created Europe's Refugee Crisis](#)

By [Eric Zuesse](#), June 25, 2018

The US Government itself caused this crisis that Europeans are struggling to deal with. Would the crisis even exist, at all, if the US had not invaded and tried to overthrow (and in some instances actually overthrown) the governments in Libya, Syria, and elsewhere — the places from which these refugees are escaping?

[US Court Documents Reveal Immigrant Children Tied Down, Hooded, Beaten, Stripped and Drugged](#)

By [Patrick Martin](#), June 24, 2018

Court documents made public in Virginia and Texas give a glimpse of the systematic brutality being meted out to immigrant children in both public and private jails. Children are strapped down, hooded and beaten, or drugged by force, as part of the everyday procedure in what can only be called the American Gulag.

By [Barrie Zwicker](#), June 24, 2018

The misery of asylees, Springmann writes, is one of the planned outcomes of horrendous and unlawful military attacks on Syria and other countries. These are carried out in proxy wars by “the West,” including Israel. Springmann writes that Israel “is a terrorist entity” and “an ever helpful architect of chaos.”

No external interventionist holds the right to cause the peaceful inhabitants of a jurisdiction to displace, unless it comes forward with legitimate reasons. Syria, Afghanistan and Iraq’s Diaspora worldwide are struggling with the skepticism of the migrant host states over whether they “deserve admission into their societies or not”. By comparison, some European countries as well as Canada, which have no direct involvement in these wars, have welcomed by a far great proportion of the refugees than the US, the UK and France.
