[**"Wipe the Soviet Union Off the Map", 204 Atomic Bombs against 66 Major Cities, US Nuclear Attack against USSR Planned During World War II**](#)

By [Prof Michel Chossudovsky](#), March 08, 2018

It should be understood that these US nuclear threats directed against Russia predate the Cold War. They were first formulated at the height of World War II under the Manhattan Project when the US and the Soviet Union were allies.

[**Israel Now Arming Seven Terrorist Groups in Syria, Report**](#)

By [Brandon Turbeville](#), March 08, 2018

Israel has [long been known](#) to provide support to terrorists operating in Syria ever since the crisis began in 2011. From providing medical support to terrorist fighters as well as training and intelligence and even some amount of weaponry and logistics, the Israelis have openly supported the so-called rebels in their efforts to overthrow the secular government of **Bashar al-Assad**.

[Entering the Ring of War Propaganda](#)

By [Mark Taliano](#), March 08, 2018

Once we enter the ring of propaganda fabricated by western agencies of deception, we start to lose, since it is at that point that we become entwined in the convoluted narratives. Intelligence agencies are specialists at creating such fake narratives.

[The “No Trump Military Parade”](#)

By [Margaret Flowers](#) and [Ann Garrison](#), March 08, 2018

President Trump has asked the Pentagon to plan a military parade in Washington DC on Veteran’s Day, November 11. Democrats have decried the cost and authoritarian implication, and antiwar groups are planning a countermarch.

[Homo Sapiens on Track to Extinction? Climate and Nuclear Threats. Can Humanity Survive?](#)

By [Robert J. Burrowes](#), March 08, 2018

Unfortunately, of course, the climate is not the only imminent threat to human survival. With an insane leadership in the White House in the United States – see [‘Resisting Donald Trump’s Violence Strategically’](#) – **we are faced with the prospect of nuclear war.** And even if the climate and nuclear threats to our survival are removed, there is still a substantial range of environmental threats – including rainforest destruction, the ongoing dumping of Fukushima radiation into the Pacific Ocean, extensive contamination from military violence... – that need to be addressed too, given the synergistic impacts of these multiple and interrelated threats.

[Are You Listening, America? “If the Button is Pushed, There’s No Running Away”](#)

By [Scott Ritter](#), March 08, 2018

Putin outlined developments in Russian strategic military capability. The developments collectively signal the obsolescence of America’s strategic nuclear deterrence, both in terms of its present capabilities and—taking into account the \$1.2 trillion [nuclear weapons modernization program](#) President Trump unveiled earlier this year—anything America might pursue in the decades to come.

[Trade Conflict Heats Up, Towards a Full-scale Global Trade War?](#)

By [Nick Beams](#), March 08, 2018

The Trump administration is expected to announce today how it will apply the tariffs on steel and aluminium outlined last week. **While a full-scale global trade war has yet to break out**, the major powers are manoeuvring for an impending conflict.
