America’s hegemonic project in the post 9/11 era is the “Globalization of War” whereby the U.S.-NATO military machine –coupled with covert intelligence operations, economic sanctions and the thrust of “regime change”— is deployed in all major regions of the world. The threat of pre-emptive nuclear war is also used to black-mail countries into submission.

No doubt you have noticed, with the complete inability of any public intellectual to come to terms with the series of false flag attacks in New Orleans, New York, Las Vegas, and elsewhere.

[**Should We Put an End to the U.N. for Having Failed to “Prevent War and Promote Peace”? The U.N. at the Nexus of Globalism and National Sovereignty**](#)

By [*Prof. Anthony J. Hall*](#), January 05, 2025

The United Nations has become increasingly prominent as the undeclared war intensifies between globalism and national sovereignty. In theory, the UN has one foot in each camp. In actuality the UN is a primary driver of globalist agendas that steal power from national governments and the citizens they are supposed to represent.
