[History: Hitler Was Financed by the Federal Reserve and the Bank of England](#)

By [Yuri Rubtsov](#), September 18, 2022

The key structures that defined the post-war development strategy of the West were the central financial institutions of Great Britain and the United States — the Bank of England and the Federal Reserve System (FRS) — and the associated financial and industrial organizations set out as a means to establish absolute control over the financial system of Germany and its ability to control political processes in Central Europe.

Trust in the Feelings of Solidarity of Fellow Human Beings in the Face of “The Demons of Human History”

By [Dr. Rudolf Hänsel](#), September 16, 2022

Especially people in the formerly prosperous Europe and in the starved “developing countries” are plagued by strong fears of life, hopelessness and fits of despair because of the present and future threat to their life expectancy and their previous lifestyle. With the state-imposed COVID 19 measures, the countries’ economies have already been driven to the wall and their populations reduced with the help of killer vaccines.

[Experts: Some Cancers Have Exploded by 1,000% Since the Release of COVID “Vaccines”](#)
