[Uncovering the Corona Narrative](#)

By [Dr. Robert Malone](#) and [Ernst Wolff](#), March 28, 2022

The late US Secretary of State Madeleine Albright will always be tied with the appallingly named humanitarian war in Kosovo in 1999, one that saw NATO attacks on Serbian civilian targets while aiding the forces of the Kosovo Liberation Army. It was a distinct backing of sides in a vicious, tribal conflict, where good might miraculously bubble up, winged by angels. Those angels never came.
