

Selected Articles: How Google Wipes Palestine Off the Map

Global Research, November 01, 2018

Dear Readers,

More than ever, Global Research needs your support. Our task as an independent media is to "Battle the Lie".

"Lying" in mainstream journalism has become the "new normal": mainstream journalists are pressured to comply. Some journalists refuse.

Lies, distortions and omissions are part of a multibillion dollar propaganda operation which sustains the "war narrative".

While "Truth" is a powerful instrument, "the Lie" is generously funded by the lobby groups and corporate charities. And that is why we need the support of our readers.

[The China Pakistan Economic Corridor \(CPEC\): The Asian Parliamentary Assembly Meeting in Gwadar Was Good News for CPEC](#)

By [Andrew Korybko](#), October 31, 2018

It was a very prudent move for Pakistan to have Gwadar host this year's Asian Parliamentary Assembly instead of any other of the country's cities because Islamabad

showed off the progress that's been made thus far on CPEC, encouraged its fellow institutional members to feel like they have a stake in its future success, and opened their eyes to the peaceful state of affairs in Balochistan.

[Mass Shooting at Pittsburgh Synagogue: Anti-Semitic Violence Erupts in America](#)

By [Joseph Kishore](#), October 31, 2018

The anti-Semitic massacre at the Tree of Life Synagogue in Pittsburgh, Pennsylvania, has raised the crisis of American politics and society to a new level. More and more, the conditions in the United States have the character of a civil war, in which the most backward and reactionary forces are being encouraged and promoted.

[Spooks and the Masked Media](#)

By [Edward Curtin](#), October 31, 2018

To even suggest that people's favorite mainstream media are doing the work of the secret state feels so insulting to people's intelligence with its suggestion of gullibility that many recoil in anger at the possibility. A common retort is that it is absurd to suggest that *The New York Times*, *The Washington Post*, *Fox News*, *CNN*, etc. are just disseminating propaganda from behind a mask of objectivity.

[Video: The Stone Guest at the Table with Italy and Russia](#)

By [Manlio Dinucci](#), October 31, 2018

The Conte government thus supported de facto the US plan to abandon the INF Treaty and once again to deploy in Europe (including Italy) medium range nuclear missiles pointed at Russia. These missiles will be added to the new B61-12 nuclear bombs that the United States will begin to deploy, as from March 2020, in Italy, Germany, Belgium, Holland and probably other European countries, always with an anti-Russia objective.
