[Imagine What Would Happen if China Decided to Impose Economic Sanctions on the USA?](#)

By [Prof Michel Chossudovsky](#), August 03, 2017

Following the completion of the investigation, Washington threatens to “impose steep tariffs on Chinese imports [into the US], rescind licenses for Chinese companies to do business in the United States, or take other measures, which could, “pave the way for the U.S. to impose sanctions on Chinese exporters or to further restrict the transfer of advanced technology to Chinese firms or to U.S.-China joint ventures.”

[Breaking: Seymour Hersh Cracks 'RussiaGate' as CIA-Planted Lie, Revenge Against Trump](#)

By [Eric Zuesse](#), August 02, 2017

In a [youtube video upload-dated August 1st](#), he reveals from his inside FBI and Washington DC Police Department sources — now, long before the Justice Department’s Special Counsel Robert Mueller will be presenting his official ‘findings’ to the nation — that the charges that Russia had anything to do with the leaks from the DNC and Hillary Clinton’s campaign to Wikileaks, that those charges spread by the press, were a CIA-planted lie, and that what Wikileaks had gotten was only leaks (including at least from the murdered DNC-staffer Seth Rich), and were not from any outsider (including ‘the Russians’), but that Rich didn’t get killed for that, but was instead shot in the back during a brutal robbery, which occurred in the high-crime DC neighborhood where he lived. By [Prof. Marcello Ferrada de Noli](#), August 02, 2017

After 2001, the U.S. implementation of ‘extraordinary renditions’ has required the secret collaboration of some EU governments and others around the world. For instance, Sweden collaborated secretly with the CIA in the rendition of two refugees that were transported from a Stockholm airport to a torture site in Egypt.

By [Whitney Webb](#), August 02, 2017

The Trump administration has described Sunday’s constituent assembly election in Venezuela as “another step toward dictatorship,” despite high voter turnout and little evidence that the assembly will dissolve the country’s legislature. Will Venezuela be the CIA’s next regime change target?
