[An Immense Hunger, Where Are We All Going? Our Visions Into a New Year... Edward Curtin](#)

By [Edward Curtin](#), January 01, 2024

Now that our revels are ended, the holiday celebrations and feasts, if one had them, just a dream melted into thin air, our hungers perhaps richly satiated temporarily or not, our visions project us into a new year in which we hope to realize in a not insubstantial way the images we see before the canvases of our inner eyes.

[Criminal Assumptions: The Howard Cabinet and Invading Iraq](#)

By [Dr. Binoy Kampmark](#), January 02, 2024

Former US President George W. Bush, former British Prime Minister Tony Blair, and tag along bore, former Australian Prime Minister John Howard, remain at large, despite their respective countries wagging fingers of disapproval at authoritarian regimes for defying the rules-based international order. Never a more fitting trio in terms of abusing international law could you find.

[Development Studies: Ideological Crisis, No Coherent Stance Against the Dominant Neoliberal Paradigm. Tina Renier](#)

By [Tina Renier](#), January 02, 2024

Development is a highly contentious concept because it has a variety of interpretations from different actors and interests that are involved. Dominant discourses and practices in development have placed a high emphasis on linear, economic models. These linear, economic models are characterized by policy prescriptions such as free trade, privatization, de-regulation and individual freedom.

By [Andreas Wiseman](#), January 01, 2024

BAFTA winner Pilger was renowned for countless investigations, particularly into the plight of Aboriginal Australians, American and British foreign policy and the ulterior motives of big business. A towering figure in his field, never afraid to express controversial views, Pilger is understood to have been battling illness since early 2023.

[Truth About How Israel's Zionism Began and Led to Genocide of Palestinians in Gaza](#)

By [Irwin Jerome](#), January 01, 2024

The United Nations General Assembly, in 1948, passed UN Resolution 194 that resolved the right of Palestinians to return to their traditional homes and live in peace with their neighbors. The forcibly evicted Palestinians, and their descendants ever since have held, among their most prized possessions, the sacred keys that once opened the doors to all their homes from which they were originally evicted by the Global Zionist Jewry.

[This New Year Calls for a Bold New Vision for Mankind](#)

By [Julian Rose](#), January 01, 2024

We have seen since the latter part of 2023, the horrific repercussions of controlled and uncontrolled mass murder being perpetrated on men, women and children in the Gaza strip. We have witnessed, in US and European cities, the escalation of deranged individuals shooting dead whoever happens to get in their line of fire.
