[Impeachment of President in Seoul, Political Insanity in Kiev: “Thrilled by the Prospect of Thermonuclear War”? Who Is Pulling the Strings?](#)

By [Drago Bosnic](#), December 27, 2024

What we’ve learned so far is that the dangers of a global confrontation are lost on many people, particularly (and most disturbingly) those in power. [One of the latest such cases was seen in South Korea](#), where the deeply unpopular President Yoon Suk Yeol tried to (ab)use his powers to gain absolute political control by prompting the government to launch swarms of drones at [nuclear-armed North Korea](#).

[In America It’s Another Week to be Proud of! Is Biden Poised to Ban 2025 by Executive Order?](#)

By [Philip Giraldi](#), December 27, 2024

Something good happened in Washington last week, suggesting that the year might actually end on a high note without Joe Biden starting World War 3 and opening up all the country’s prisons for the on-the-street rehabilitation of the inmates where they will undoubtedly learn new skills.

[Greenland - For Protection or for Sale?](#)

By [Bharat Dogra](#), December 27, 2024

At a time when environmentalists are rightly very concerned about the protection of the highly sensitive ecology of Greenland, the headlines are instead filled with talk regarding the 'sale' of Greenland initiated by President-elect Trump's provocative and disturbing statement of buying Greenland.

[There Is No Gold-Standard Polio Vaccine](#)

By [Richard Gale](#) and [Dr. Gary Null](#), December 27, 2024

Efforts to eradicate polio, once considered a public health triumph, are now threatened by a complex interplay of scientific, logistical, and geopolitical challenges. The emergence of vaccine-derived polioviruses (VDPVs) and a rise in vaccine-related complications have introduced unforeseen obstacles.

[Washington Deploys Proxies to Xinjiang to Scuttle China's Giant Infrastructure Project](#)

By [Mike Whitney](#), December 27, 2024
