## [The Invisible Victims of the War in Ukraine](#)

By [Dr. Leon Tressell](#), February 23, 2023

On 20 February Didier Reynders, the European Commissioner for Justice, announced that a new international centre will be set up in July of this year to investigate war crimes committed by Russian forces in Ukraine over the course of the last year. Yet when Ukrainians are tortured by their own government the EU does not give a damn.

## [Civil Rights and the Transformation from Tenant to Mechanized Agriculture](#)

By [Abayomi Azikiwe](#), February 24, 2023

On Christmas night 1951 in Mims, Florida, sticks of planted dynamite exploded underneath the home of veteran organizers for the NAACP and the Progressive Voters League (PVL) resulting in the deaths of Harry T. Moore that same evening enroute to the hospital and his wife of 25 years, Harriet V.S. Moore, on January 3, 1952.

## [mRNA Circulates at Least 28 Days After Injection](#)

By [Dr. Peter McCullough](#), February 23, 2023

Because Operation Warp Speed rushed new mRNA technology forward in two month clinical trials without informative preclinical testing, we are now learning about what was injected into billions of human beings during the mass, indiscriminate COVID-19 vaccine program.

## [The Engineered Destruction and Political Fragmentation of Iraq. “America’s Third War Against Iraq” Initiated by Obama](#)

By [Prof Michel Chossudovsky](#), February 23, 2023

Our thoughts are with the people of Iraq, who's country has been literally destroyed by US-NATO. It's a hegemonic agenda which consists in transforming countries into territories. March 2023 marks 20 years since the US-UK led war on Iraq in 2003. And that war is still ongoing.

### **[Tycoons and Oligarchs: Russia, Ukraine, NATO and the Warring Elites](#)**

By [Maxim Nikolenko](#), February 23, 2023

It was 23 February 2022. By then, the Ukrainian elite knew that Russia's military attack was imminent. Wealthy tycoons and politicians, [including](#) Secretary of National Security Council Oleksiy Danilov, already made accommodations to make sure their military-age sons would be out of the country.

### **[Let's Not Get Fooled Again. Since COVID Won't be Our Last Pandemic, Here Are a Few Questions to Ponder Before the Next Wave Hits.](#)**

By [Jenna McCarthy](#), February 23, 2023

Three long years later, it turns out that masks not only don't work but [can make us sicker](#). [Social distancing was a myth](#), pretty much pulled out of thin air. Quarantining was [an unmitigated social, psychological, and economic disaster](#).

### **[Canada's Role in the US-NATO Attack on Syria for Regime Change](#)**

By [Steven Sahiounie](#), February 23, 2023

Canada has blood on its hands. The Canadian government had understood from US intelligence that the Obama plan to destroy Syria was based on using the Muslim Brotherhood, and the political ideology known as Radical Islam, as the foot soldiers inside Syria.

### **[Canada's Youngest Athletes, Ages 6-13 Are Dying Suddenly: COVID-19 Vaccine Mandates for Children Playing Sports Were a Crime...](#)**

By [Dr. William Makis](#), February 23, 2023

Canadian politicians, Public Health Officials and healthcare leaders committed many serious

crimes during the COVID-19 pandemic, but one of the most heinous was the forced COVID-19 mRNA vaccination of healthy child athletes in 2021-2022 so they could continue to play sports. Here are some of Canada's youngest athletes who died suddenly in the past 3 months.

## **[When I Covered Climate Change for Reuters I Thought CO2 Was to Blame for Rising Temperatures. I Was Wrong](#)**

By [Neil Winton](#), February 23, 2023

The BBC and the mainstream media regularly frighten everyone with the latest climate disaster news with pictures of floods, fires and hurricanes, always followed by scary predictions that things will only get worse unless mankind mends its irresponsible ways.

## **[How the Ukraine War Helped the Arms Trade Go Boom](#)**

By [Connor Echols](#), February 23, 2023

Earlier this month, arms maker General Atomics made Ukraine a tempting offer. For the low price of \$0.50 a pop, the defense contractor [would send](#) Kyiv two of its top-of-the-line MQ-9 Reaper drones, which are usually valued at about \$30 million per plane. (Budget-conscious readers should keep in mind that shipping and handling — worth nearly \$20 million — were not included.)
