

Selected Articles: Is It the End of Net Neutrality?

By [Global Research News](#)

Global Research, February 25, 2018

With the Federal Communications Commission's net neutrality repeal plan, the freedom of expression is threatened. Online censorship will predominate — silencing independent media (including Global Research) — which will eventually pave way to further mainstream media fake news and propaganda.

Will you allow the suppression of critical and unbiased thought and analysis? Or will you be one of those truth defenders?

Please read our selection of articles below and disseminate it far and wide.

[Mainstream Media – Pushing Global Conflict, Disseminating Fear](#)

By [True Publica](#), February 25, 2018

A decade ago the thought of another global conflict was unthinkable – but that prospect appears to be far more probable today. Or, at least, that’s what we are being told.

[On The Nature of Independent Journalism: Conversation with Andre Vltchek](#)

By [Andre Vltchek](#) and [Danny Haiphong](#), February 23,

There is no democracy in the West: governments are being selected, not elected. Most of the media is upholding, glorifying this process. It is definitely not challenging it, philosophically and ideologically. In the past, long decades ago, there was at least some philosophical debate about the direction in which our civilization and our planet evolving. Now it all stopped. Mass media became synonymous with imperialist propaganda. It is all very well-orchestrated; choreographed. And people in the West are so thoroughly brainwashed that they stopped asking questions regarding the most essential issues.
