[Palestine: The Cost of Bearing Witness. Chris Hedges](#)

By [Chris Hedges](#), December 27, 2023

Writing and photographing in wartime are acts of resistance, acts of faith. They affirm the belief that one day – a day the writers, journalists and photographers may never see – the words and images will evoke empathy, understanding, outrage and provide wisdom. They chronicle not only the facts, although facts are important, but the texture, sacredness and grief of lives and communities lost.
