[COVID-19: Further Evidence that the Virus Originated in the US](#)

By [Larry Romanoff](#), March 11, 2020

The Taiwanese physician noted that in August of 2019 the US had a flurry of lung pneumonias or similar, which the Americans blamed on 'vaping' from e-cigarettes, but which, according to the scientist, the symptoms and conditions could not be explained by e-cigarettes. He said he wrote to the US officials telling them he suspected those deaths were likely due to the coronavirus. He claims his warnings were ignored.

[The Coronavirus COVID-19 Pandemic: The Real Danger is "Agenda ID2020"](#)

By [Peter Koenig](#), March 12, 2020

WHO has most likely received orders from "above", from those people who also manage Trump and the "leaders" (sic) of the European Union and her member countries, those who aim to control the world with force - the One World Order.

This has been on the drawing board for years. The final decision to go ahead NOW, was taken in January 2020 at the World Economic Forum (WEF) in Davos - behind very much closed doors, of course. The Gates, GAVI (an association of vaccination-promoting pharmaceuticals), Rockefellers, Rothschilds *et al*, they are all behind this decision - the implementation of **Agenda ID2020** - see below.

[COVID-19 Coronavirus "Fake" Pandemic: Timeline and Analysis](#)

By [Prof Michel Chossudovsky](#), March 08, 2020

On January 30th 2020, the World Health Organization (WHO) declared a **Public Health Emergency of International Concern (PHEIC)** in relation to China's **novel coronavirus (2019-nCoV)** categorized as a **viral pneumonia**. The virus outbreak was centred in Wuhan, a city in Eastern China with a population in excess of 11 million.

In the week prior to January 30th decision, the WHO Emergency Committee “expressed divergent views”. There were visible divisions within the Committee. On January 30th, a far-reaching decision was taken **without the support of expert opinion** at a time when the coronavirus outbreak was limited to Mainland China.

[The US Federal Reserve’s Baffling Response to the Coronavirus Explained](#)

By [Ellen Brown](#), March 12, 2020

When the World Health Organization announced on February 24th that it was time to prepare for a global pandemic, the stock market plummeted. Over the following week, the Dow Jones Industrial Average dropped by more than 3,500 points or over 10%. [In an attempt](#) to contain the damage, on March 3rd the Federal Reserve slashed the fed funds rate from 1.5% to 1.0%, in their first emergency rate move and biggest one-time cut since the 2008 financial crisis. But rather than reassuring investors, the move fueled another panic sell-off.

[Coronavirus COVID-19 in South Korea: Cult Sect, Corruption and Politics](#)

By [Prof. Joseph H. Chung](#), March 12, 2020

In South Korea, on January 20, a woman of 35 years old from China was found to be infected and the corona-virus spread rapidly. But, owing to the rapid and efficient measures taken by the government of **Moon Jae-in**, the spread of the virus almost stopped and the number of cured began to increase.

And the WHO and the international media praised highly the efficient measures taken by the Korean government.

[Coronavirus: Why Is Dr. Anthony Fauci, Director of the National Institute of Allergy and Infectious Diseases, Lying to Congress and the American People?](#)

By [Target Liberty](#), March 12, 2020

Dr. Anthonu Fauci, the director of the National Institute of Allergy and Infectious Disease, testified before Congress on Wednesday and said that the Wuhan coronavirus (COVID-19) is “10 times more lethal than seasonal flu.”

[In a Europe Closed Down by the Coronavirus the EU Opens its Doors to the US Army. Could the Defender become the Invader of Europe?](#)

By [Manlio Dinucci](#), March 12, 2020

The Ministers for Defence of the 27 countries of the EU, 22 of which are also members of NATO, met on 4 and 5 March in Zagreb, Croatia. The central theme of the meeting (in which Lorenzo Guerini of the Democratic Party represented Italy) was not to seek a response to the Coronavirus crisis which is jamming up civil mobility, but how best to develop « military mobility ». The decisive test is the Defender Europe 20 exercise, scheduled for April and May. The General Secretary of NATO, Jens Stoltenberg, who took part in the EU meeting, defines it as « the largest deployment of US forces in Europe since the end of the Cold War ».

[**Global COVID-19 Pandemic, This Is a Test: How Will the Constitution Fare During a Nationwide Lockdown?**](#)

By [John W. Whitehead](#), March 12, 2020

The coronavirus epidemic may well be a legitimate health concern, but it's the government's response to it that worries me more in the long term.

Based on the government's track record and its long-anticipated plans for instituting martial law (using armed forces to solve domestic political and social problems) in response to a future crisis, there's good reason to worry.

[**Congress Tries to Sneak Through Dangerous Spying Bill Under the Cover of the Coronavirus Crisis**](#)

By [Free Press](#), March 12, 2020

Leading members of the House of Representatives are rushing a vote on Wednesday to extend abusive government surveillance powers before they're set to expire on March 15.

If approved, the USA Freedom Reauthorization Act of 2020 would reauthorize Section 215 powers Congress established under the USA Patriot Act in 2001. Section 215 is the provision national-security agencies have cited to support their unwarranted collection of phone records of hundreds of millions of people in the United States.

[**US CDC Director Robert Redfield Admitted that Coronavirus Deaths Have Been Miscategorized as Flu**](#)

By [Larry Romanoff](#), March 13, 2020

The US has been lying all along.

Robert Redfield, CDC director, testifying to Congress, today admitted that virus deaths have been miscategorised as the flu.

He also stated that the standard practice has been to first test people for the flu and, if the test is positive, they stop there. They don't test for the coronavirus.
