By [Drago Bosnic](#), October 25, 2024

In 2023, the United States started a series of “[temporary](#)” [deployments across the increasingly contested Asia-Pacific region](#), sending virtually every major branch of its military to “contain” China (the usual euphemism used by the Pentagon planners to describe their crawling aggression in the area).

## **“Take the Toys Away From the Boys”**

By [Dr. Galina Litvinov De Roeck](#), October 24, 2024

War feels very personal to me. I was born in Former Yugoslavia in 1938 and still feel in my very bones the crashing of bombs into our Belgrade apartment building in 1941: Is it a wonder that when NATO bombed Belgrade in 1999, I felt like I was bombing myself? I am a hyphenated American who has struggled to remain a member of the world community.
