[Mass Psychosis: When Will We Free Ourselves From Toxic Propaganda, If Not Now?](#)

By [Mark Taliano](#), March 28, 2023

If mass psychosis entails a detachment from reality, then Westerners in particular are suffering from mass-psychosis on myriad issues. Now more than ever. In terms of government policies this manufactured illness is well-planned and deliberate. The media, in lockstep with the government, is owned and controlled by media cartels.

[Video: Strength of New Multipolar World Alliances. Future of Taiwan & NATO Mission in Asia](#)

By [Vladimir Zakharov](#) and [Scott Ritter](#), March 29, 2023

On episode 27 of the show we are joined by Vladimir Zakharov, a specialist in Chinese language and literature, diplomat and orientalist. For many years he worked at the embassy of the USSR, and then of the Russian Federation in Beijing. Former Deputy Secretary General of the Shanghai Cooperation Organization (SCO) and senior lecturer of the Faculty of World Economy and World Politics, Higher School of Economics.

[Israel Protests: "Democracy" in an Apartheid Regime?](#)

By [Richard Becker](#), March 29, 2023

Massive anti-regime protests, unprecedented in their size and scope erupted on March 26-27 in cities and towns across the state of Israel. The political crisis in Israel brought a surprising admission from the highest level of the U.S. government regarding its real relationship with the country.

Calculated Exonerations: Command Responsibility and War Crimes in Afghanistan

By [Dr. Binoy Kampmark](#), March 29, 2023

Being the scapegoat of tribal lore cast out with the heavy weight of sins remains a popular political motif. Supposedly noble soldiers, by way of example, are punished for not adhering to the rules of war. In breaching the codes of killing and the protocols of acceptable murder, they are banished from a realm supposedly wrapped in law.

Detroit Remains Mired in Poverty as City Council Approves \$800 Million Tax Giveaway to the Rich

By [Abayomi Azikiwe](#), March 29, 2023

In an 8-1 vote, the Detroit City Council signed off on awarding two billionaires a tax incentive valued at \$800 million despite broad independent opposition to the scheme. Known as “District Detroit”, the plan advanced by the owners of Illitch Holdings and Stephen Ross and Related Companies, would ostensibly result in the construction of and repurposing of several buildings near the downtown area.

“The Crisis of American National Power Has Begun”. Col. Douglas Macgregor

By [Douglas Macgregor](#), March 28, 2023

The crisis of American national power has begun. America’s economy is [tipping over](#), and Western [financial markets](#) are quietly [panicking](#). Imperiled by rising interest rates, mortgage-backed securities and U.S. Treasuries are losing their value. The market’s proverbial “[vibes](#)”—feelings, emotions, beliefs, and psychological penchants—suggest a dark turn is underway inside the American economy.

Misplaced Attacks on MP Andrew Bridgen’s Speech on the COVID Vaccine to the UK Parliament

By [Norman Fenton](#), [Dr. Clare Craig](#), and [et al.](#), March 28, 2023

On March 17th 2023, Member of Parliament (MP) Andrew Bridgen made an important [speech](#) in the U.K. Parliament asking ministers to critically consider the risks as well as the benefits for the Covid vaccines. Bridgen is one of the only MPs to highlight vaccine safety concerns and has been suspended from the Conservative Party on supposedly unconnected but obviously spurious grounds.

[Women's Rights in Modern Iran. A Study in Contrasts](#)

By [J. Michael Springmann](#), March 28, 2023

Contrasts? What do you mean? Simple. The astonishing divergence between what the carefully-controlled U.S. media depict as normal in Iran and the reality of the situation in the country. I know more than the average American journalist because, with some others, I've just returned from a week in the Islamic Republic of Iran.

[COVID-19 Vaccine Injuries to the Liver](#)

By [Dr. William Makis](#), March 28, 2023

Diana is currently bleeding gastrointestinal and needing blood transfusions about every 2-3 weeks to sustain a normal level. She is unable to work and functions at a slow pace and is on a strict low sodium diet.

[Klaus Schwab: "...Who masters those technologies, in some way, will be the master of the world."](#)

By [Jacob Nordangard](#), March 28, 2023

During the World Government Summit 2023, which was held in Dubai in the United Arab Emirates on February 13-15, the chairman of the World Economic Forum, Klaus Schwab, proclaimed that whoever controls the technologies of the fourth industrial revolution will be the master of the world.
