In a recent report, Albert Bourla, the chairman and chief executive of the global pharmaceutical giant Pfizer Inc accepted the prestigious Genesis award for his work leading to the very first vaccine for COVID-19 to be authorized for distribution in the U.S. and Europe.

[Crisis in Intelligence and the Way Forward](#)

By [Emanuel Pastreich](#), February 19, 2023

The crisis in intelligence in the United States has reached an extreme today as the multitude of contractors that feed on massive, and often obscure, budget, clamor to be fed without any concern for the long-term interests of the citizens of the United States, the constitution that defines that nation, or the security of our brittle planet.

[Megalomania - Privilege of the Rich and Powerful? The World Government Summit](#)

By [Peter Koenig](#), February 19, 2023

In his as always exuberant presentation with his signature accent reminiscent of Arnold Schwarzenegger, Schwab bragged, "I wrote in 2015 the book, 'The Fourth Industrial Revolution'. I mentioned 23 or 25 technologies that will change the world." He went on mentioning some of them. And continued, "The book was considered science fiction, but all those technologies have become realities."

[American Presidents Renege on Agreements with Russia Opening Its Border to NATO](#)

By [Renee Parsons](#), February 19, 2023

A week after Sy Hersh's expose on the Nord Stream pipeline explosions, there is still no word that President Biden who denies any knowledge or involvement in causing an Act of War in the Baltic Sea has yet to offer an explanation to the American public or reach out to Russian President Vladimir Putin – but what possible explanation could be offered when the Biden co-conspirators, millions of Americans and Putin's [Security Council](#) all know the truth.

[“Terrorist groups in Syria receiving earthquake aid from the US and EU,” Interview with Kari Jaquesson](#)

By [Kari Jaquesson](#) and [Steven Sahiounie](#), February 19, 2023

The massive earthquake on February 6 devastated parts of the northwest of Syria, including the last remaining terrorist occupied area of Idlib. While Latakia and Aleppo were damaged more than Idlib, they are not receiving any aid from the US, EU or other US allied countries because they are under the central government of Damascus.

[The World Wants to be Deceived](#)

By [Edward Curtin](#), February 19, 2023

My title comes from a 19th century author whose name does not matter nor would it mean much if I mentioned him. It's an old truth that has not changed a bit over the centuries. I think, however, it would be more linguistically accurate to say that most people want to be deceived, for the world, the earth doesn't give a damn, as the French poet Jacques Prévert reminds us in “Song in the Blood”.

[The Great Western Crusade Against “Evil”](#)

By [Manlio Dinucci](#), February 19, 2023

On the stage of the Sanremo Festival, after reading Zelenski's message the Kyiv band Antytila performed to “transmit a strong message on the Ukrainian resistance to the Italian public”. Shortly before in Brescia and Bergamo, the concerts of the Russian pianist Denis Matsuev scheduled for the International Piano Festival had been cancelled.

[A US-Led 'Coalition of the Willing' Foreshadows the Splintering of NATO](#)

By [Mike Whitney](#), February 19, 2023

The destruction of the Nord Stream pipeline was a gangster act that reveals the cancer at the heart of the “rules-based order”. How can there be peace and security when the world’s most powerful nation can destroy the critical infrastructure of other countries without deliberation or judicial proceedings?

[“Propaganda Attacks”: How NATO Is Committing “Cyber Warfare” Against the Global Masses](#)

By [Dan Fournier](#), February 18, 2023

In a [previous article](#) – which was republished in [ActivistPost](#), and [The Burning Platform](#) – readers were introduced on how the North Atlantic Treaty Organization, better known as NATO, have created a fifth operational domain (the first four being air, land, sea, space) called cyber which they use with great success to propagandise and brainwash the masses around the globe, particularly on social media, as an instrument to gain support for their war follies.

[The Bayer/Monsanto Tie-up: Is the Marriage Over?](#)

By [Paul Anthony Taylor](#), February 17, 2023

Rumors are growing that the corporate marriage between German drug firm Bayer and American agrochemicals goliath Monsanto may be heading for divorce. Under increasing [shareholder pressure](#) following a dramatic slump in Bayer’s stock price over the past 8 years, the German company’s notorious CEO Werner Baumann is set to be replaced with the former head of Swiss drugmaker Roche, [Bill Anderson](#).
