[Most Censored Paper on Earth: The Lancet-Censored “Sudden Death” COVID-19 Vaccine Autopsy Paper Has Been Peer-Reviewed and Published](#)

By [Dr. William Makis](#), November 18, 2024

This is a monumental achievement in the face of historically unprecedented scientific censorship. Yes, COVID-19 mRNA vaccines cause sudden death and most are within the first two weeks – that’s why they were labeled UNVACCINATED. This paper proves why they did it.

[How Will Russia Respond to Ukraine’s Use of Western Long-Range Missiles?](#)

By [Andrew Korybko](#), November 18, 2024

Reports emerged on Sunday that the US [finally approved](#) Ukraine’s request to use long-range ATACMS missiles against targets inside of Russia’s pre-2014 borders, which was followed by other reports claiming that [France and the UK](#) then followed suit.

[Will Washington Succeed in Opening More War Fronts for Russia? Paul C. Roberts](#)

By [Dr. Paul Craig Roberts](#), November 18, 2024

Western NGOs have sent the Georgian opposition political parties that they finance into the streets to protest the Georgian Dream Party’s sweep of the legislative elections. The Georgian Dream Party favors pragmatic relations with Russia, whereas the collection of small parties financed by the West want to create another Maidan Revolution to open a second front for Washington against Russia. See [this](#).

[Who Is in the President's Team? Manlio Dinucci](#)

By [Manlio Dinucci](#), November 18, 2024

Trump's election certainly creates a situation open to change from what would have been made if Kamala Harris had become president in the wake of Biden. However, it must be seen what these changes will be. It might be possible, for instance, to open negotiations with Moscow to end the US/NATO war against Russia via Ukraine.

[Video: The World Is at the Crossroads of the Most Serious Crisis in Modern History. Michel Chossudovsky](#)

By [Prof Michel Chossudovsky](#) and [Matthew Ehret-Kump](#), November 18, 2024

What we are living is the most serious economic-social crisis in world history. What is happening in Palestine is interconnected with what is happening in other parts of the world. It requires a historical background.

[Natural Resources and Palestinian Sovereignty: Israel's Further Isolation](#)

By [Dr. Binoy Kampmark](#), November 17, 2024

Two more United Nations committee resolutions. Both concerning the conduct of Israel past and current. While disease, hunger and death continue to stalk the Gaza Strip, and the West Bank remains under the thick thumb of occupation, deliberations in foreign fora continue to take place about how to address this hideous state of affairs.

[COP29. The Great Reset of the Climate Apocalypse. Taxing the People to Feed the Banks](#)

By [Michael Welch](#), [Dmitry Orlov](#), and [Matthew Ehret-Kump](#), November 16, 2024

On this week's episode of the Global Research News Hour, we will endeavour to explore the issue broadly, as we get a look behind the curtain concealing the true players behind the COP29's much ado about nothing.
