Truth in media is a powerful instrument. As long as we keep probing, asking questions, challenging media disinformation to find real understanding, then we are in a better position to participate in creating a better world in which truth and accountability trump greed and corruption.

[Israel at Seventy: Symbol of War, Racism, Reaction](#)

By [Joyce Chediac](#), May 14, 2018

The settler state of Israel turns 70 on May 14. In imperialist capitals, especially Israel and the U.S., this state built on the bones of the Palestinian people will be praised and celebrated. The U.S. will open its embassy in Jerusalem the same day.

[70th Anniversary of Apartheid Israel: History of Violent Invasion. Chronology of Palestinian Genocide](#)

By [Gideon Polya](#), May 12, 2018

14 May 2018 marks the 70th anniversary of the Israeli Declaration of Independence by Zionist terrorist **David Ben Gurion**, the foundation of an invasion-, violence-, racism-, genocide- and theft-based Apartheid Israel, and commencement of the large-scale, Rohingya Genocide-scale ethnic cleansing of Indigenous Palestinians from Palestine.

[Defending Palestinian Rights: The Gaza Slaughter of Palestinians Supported by the U.S. Congress and Major Jewish American Organizations](#)

By [Prof. James Petras](#), April 08, 2018

Because of the US veto power, the United Nations Security Council refused to condemn or even discuss Israel's wanton slaughter in Gaza. The Secretary General of the UN meekly mentioned 'violence' and the need for an 'investigation' into the killings. The United States Ambassador to the UN, **Nikki Haley**, prevented any investigation into the ongoing Israeli war crimes. She characterized Israel's mass murder of unarmed Palestinians as 'defensive action against terrorists'.

[Jewish Identity Politics and the Struggle to Liberate Palestine](#)

It is certainly not for lack of courage, steadfastness or resolve that Palestinians continue to have a boot over their necks almost 70 years after the Nakba.

By [Felicity Arbuthnot](#), December 20, 2017

So much for the "rights" of the Palestinians. Between November 1947 and November 1948 five hundred and thirty one Palestinian towns and villages had been "ethnically cleansed." (1) By 1952 it was six hundred and fifteen. (2)

This "Nakba" ("catastrophe") seventy years after Israel's final founding, is ongoing.

[Balfour Declaration: Britain Broke Its Feeble Promise to the Palestinians](#)

By [Jonathan Cook](#), November 02, 2017

One can understand the reluctance of Israelis today to concede the pivotal role provided by Britain. The Balfour Declaration is an embarrassing reminder that a Jewish state was the fruit of a transparently colonial project.
