

Selected Articles: NATO Expansion Could Trigger Nuclear War

By [Global Research News](#)

Global Research, March 31, 2019

Online independent analysis of US-led wars, rampant corruption, corporate greed, civil rights and fraudulent monetary transactions is invariably relegated to the bottom rung of search engine results.

As a result we presently do not cover our monthly running costs which could eventually jeopardize our activities.

Syria: Is US Fighting ISIS or Liquidating Assets?

By [Tony Cartalucci](#), March 30, 2019

From US Defense Intelligence Agency (DIA) memos dating back to 2012 noting efforts to create a "Salafist" [Islamic] "principality" [State] in eastern Syria precisely where ISIS rose and now clings to its "*final stronghold*," to the obvious fact that ISIS' fighting capacity was only possible through extensive state sponsorship - it was already clear that the US and its partners in regime change against Syria had been using terrorists including ISIS as proxy ground forces.

NATO's Unrelenting Expansion Could Trigger a Major Nuclear War

By [Shane Quinn](#), March 30, 2019

Less than two years ago Montenegro became the 29th state to join NATO, an American-led military alliance that has become a far-reaching intervention force since the USSR's demise. The accession of mighty Montenegro to NATO must have set hearts fluttering across the Atlantic in Washington.

Pentagon Audit: Evidence Proving \$21 Trillion Unaccounted For - Opening Statement

By [David DeGraw](#), March 29, 2019

As you will see in detail throughout this series of reports, not only have trillions of taxpayer dollars been knowingly dumped into a shockingly unaccountable black hole, Congress is not even sure how much money has been appropriated and given out in the first place.

[Welcome to Hell: Peruvian Mining City of La Rinconada](#)

By [Andre Vltchek](#), March 29, 2019

No one can agree how high above the sea level that La Rinconada really lies at: 5,300 meters or 5,200 meters? On the access road, a metal plate says 5,015. But who really cares? It is indisputably the highest settlement in the world; a gold mining town, a concentration of misery, a community of around 70,000 inhabitants, many of whom have been poisoned by mercury.
