[Video: Mariupol: “Nicolay Knows”. Civilians Denounce the Crimes of the Neo-Nazi Azov Regiment](#)

By [Christelle Néant](#), March 23, 2022

On 20 March 2022, while we were conducting a humanitarian mission near Sartana, on the north-eastern outskirts of Mariupol, we came across many civilians who had recently fled Mariupol thanks to the advance of Russian and DPR (Donetsk People’s Republic) troops. One of them, Nikolay, agreed to talk on camera about the crimes committed by the neo-Nazi Azov regiment against the inhabitants. A testimony confirmed by other civilians who managed to evacuate the city.

[Ukraine-Russia: A Proxy-War, Advancing the Agenda of the Great Reset?](#)

By [Peter Koenig](#), March 23, 2022

In the last two decades, the US-driven antagonism against Russia, closely followed by Europe, was mostly directed against one man, namely Russia’s leader, President Putin. It’s always easier to demonize a person than an entire country. That’s what Washington’s Inner Circle does best.

[A Letter to the Vaccinated](#)

By [Dr. Angela Durante](#), [Prof Denis Rancourt](#), and [et al.](#), March 23, 2022

The letter appeals both to those who chose to take the vaccine and those who were coerced. It reflects on the broader implications of our actions in an effort to collaborate on a constructive path forward.

[Graphene COVID Kill Shots: Let the Evidence Speak for Itself](#)

By [Dr. Ariyana Love](#), March 23, 2022

I compiled all the evidence we have into this article that prove Graphene Oxide, Graphene Hydroxide and other Graphene variants are in fact being injected into people by governments and Big Pharma. This evidence was discovered and proven numerous times already by independent research teams, scientists, Biotech whistleblowers and the few ethical Journalists remaining.

[Washington Is Driving the World to Nuclear War](#)

By [Dr. Paul Craig Roberts](#), March 23, 2022

Since the Russian action in Ukraine began, provoked by Washington's cold shoulder to Russian security concerns, Washington, in addition to doing all possible to keep the conflict going, has also dumped three more provocations on the Kremlin: an attempted coup or "color revolution" in the former Soviet republic of Kazakhstan, NATO military maneuvers currently under way in the former Soviet republic of Georgia which is not a NATO member, and NATO maneuvers in Poland on the Border of Belarus, a former Russian province and current Russian ally.

[What Is Blocking a Peace-Agreement Between Putin and Zelensky](#)

By [Eric Zuesse](#), March 23, 2022

Zelensky is now saying that "after a cease-fire and steps toward providing security guarantees," Zelensky would negotiate "the status of Crimea and the eastern Donbas region held by Russian-backed separatists." This is the first major change-in-position by EITHER side in the present conflict, and the fact that it is being made by Ukraine is indisputable proof that militarily Russia is winning the war.

[Biden to Discuss Potential Use of Nuclear Weapons in Russian-Ukrainian Conflict](#)

By [Lucas Leiroz de Almeida](#), March 23, 2022

As the conflict continues to intensify in Ukraine, the West seems interested in driving a new wave of international nuclearization. Washington announced that it will be organizing a nuclear contingency plan in order to face an eventual escalation of the crisis between Ukraine and Russia.

[23 Years Ago, NATO's War on Yugoslavia: Kosovo "Freedom Fighters" Financed by Organized Crime](#)

By [Prof Michel Chossudovsky](#), March 23, 2022

Twenty-three years ago marks the beginning of NATO's aerial bombardment of Yugoslavia (March 24, 1999 – June 10, 1999). The bombings which lasted for almost three months were followed by the military invasion (under a bogus UN mandate) and illegal occupation of the province of Kosovo.

[I Am Angry. I Am a Refugee. My Family Took Me Aged 5 from the War in My Country Which Killed 5 of My Brothers and Sisters.](#)

By [Mohamednur Abdi](#), March 23, 2022

I am so angry with the Greek government which only cares for refugees from the Ukraine. Its message to me is clear. The refugees from Ukraine are seen as people like the Greeks. But refugees like me from Africa and the middle eastern countries are not such 'good' humans.

[NATO Is a Problem, Not the Solution](#)

By [Yves Engler](#), March 23, 2022

While in no way excusing Russia's criminal invasion, NATO expansion eastward increased its likelihood. Although we'll never know if the war would not have happened under different circumstances, after a month of Russian violence against Ukraine the two countries' negotiators have [reportedly](#) agreed that it will reject joining NATO as part of a peace pact.
