[Israel Conquers the World](#)

By [Philip Girdi](#), August 23, 2022

I have to confess a certain liking for Russian President Vladimir Putin. No, it’s not over his actions in Ukraine, nor his authoritarian tendencies domestically. It is due to the fact that he sometimes articulates the hypocrisy of foreign countries and leaders in a pithy and take-no-prisoners fashion. He has lately been brave enough to compare and contrast what the Russian military has been accused of in Ukraine with what Israel has been doing to Gaza.

[**What Did the West Promise Russia on NATO Expansion?**](#)

By [*Ted Snider*](#), August 23, 2022

In 2007, Russian President Vladimir Putin complained, "What happened to the assurances our western partners made after the dissolution of the Warsaw Pact? Where are those declarations today? No one even remembers them. But I will allow myself to remind this audience what was said. I would like to quote the speech of NATO General Secretary Mr. Woerner in Brussels on 17 May 1990. He said at the time that: 'The fact that we are ready not to place a NATO army outside of German territory gives the Soviet Union a firm security guarantee.' Where are those guarantees?"
