By [Prof. James Petras](#), July 22 2016

The constitutional order of the US, such as it exists, faces a profound crisis of legitimacy, rooted in the multi polarity of US society. The US is divided among (1) a deeply entrenched police - judicial - presidential state against civil society organized in community based Afro-American, Hispanic and disinherited workers; (2) a corrupt Federal police, Justice , State Department and Presidential Office against a constitutional legal system upheld by the vast majority of citizens; and (3) a rigged Presidential electoral system against the consent and approval of the majority of the electorate.

[The CIA's Involvement in Indonesia and the Assassinations of JFK and Dag Hammarskjöld](#)

By [Greg Pulgrain](#) and [Edward Curtin](#), July 22 2016

The truth about Indonesian history and the United States involvement in its ongoing tragedy is little known in the West. Australian historian, Greg Pulgrain, has been trying for decades to open people's eyes to the realities of that history and to force a cleansing confrontation with the ugly truth. It is a story of savage intrigue that involves the CIA and American governments in the support of regime change and the massive slaughter of people deemed expendable.

[The Encirclement of China is Well Underway: France Prepares to Lead EU Missions in the South China Sea](#)

By [Asia-Pacific Research](#), July 22 2016

The naval encirclement of China is well underway. It was started over a decade ago by the United States with the re-militarization of Japan and the tightening of Washington's military partnerships with countries like Australia and South Korea. The same is true about the missile shield being erected in South Korea, which targets China, Russia, and North Korea.

[In the Wake of the Failed Coup: Turkey's Human Rights Crisis and the Spectre of Torture](#)

By [Dr. Binoy Kampmark](#), July 22 2016

With the failed military coup in Turkey against the Erdoğan regime, the state is facing the gravest human rights crisis in decades. Infamously bad in terms of treating journalists, suspicious of various perspectives of history, and ever hostage to flashpoints of authoritarianism, the current Republic is now underdoing the next grave challenge.
