[October's Surprise Party. "Today we are even closer than ever to a nuclear war"](#)

By [Edward Curtin](#), September 30, 2024

Today we are even closer than ever to a nuclear war, as those who closely follow such events tell us. Scott Ritter, the former U.S. Marine and UN weapons inspector who tried to stop the US invasion of Iraq in 2003 by reporting that there were no weapons of mass destruction in Iraq, is one.

By [Manlio Dinucci](#), September 30, 2024

The Israeli-led war is now engulfing Lebanon: First, targeted attacks against Hezbollah's political and military leaders, then massacres by exploding pagers and walkie-talkies, followed by indiscriminate air and ground attacks, including the use of white phosphorus shells against civilian settlements.

[For Netanyahu, Eradicating the Palestinians Is Still "Job 1"](#)

By [Mike Whitney](#), September 30, 2024

A recent survey of Middle East scholars shows that a "large majority believe that the war in... Gaza is likely to lead to new large-scale... displacement of Palestinians from Gaza and/or the West Bank. (Ethnic cleansing) The findings of the survey confirm what many have known from the very beginning, that the stated goal of "defeating Hamas" is a largely a fraud used by Israel to conceal its real objective which is the expulsion of the Arab population.

[New Zealand: Fear and the COVID Crisis. The Speech That Might Have Changed the World](#)

By [Dr. Emanuel Garcia](#), September 29, 2024

Fear was the fulcrum that allowed the government here in New Zealand and institutions like the Medical Council to ensure submission to their directives. It allowed for the acceptance of lockdowns, mandates, a 'vax' apartheid, and a curious silence among the nearly twenty thousand registered doctors about the subversion of the foundational principles of their profession.
