By [Peter Koenig](#), September 09, 2022

If anybody thinks that the recent extreme Pakistani monsoon floods (see Red Cross photo below) and the US-instigated ousting of Pakistan's Prime Minister, Imran Khan, are sheer coincidence, might be dead-wrong.

Damning words from Dunja Mijatovic, human rights commissioner for the Council of Europe on the controversial Legacy Bill, which is currently going through Parliament. The sense of panic to get this legislation into law has been hastened by the brilliant work of organisations like Relatives for Justice and the Pat Finucane Centre, which have been a tremendous help and support to victims and families of the Troubles.

By [Ahmed Adel](#), September 10, 2022

The statement by Poland that it needs to rearm its troops in preparation for a “war with Russia” in the next few years is intended to attract additional aid and weapons from NATO to strengthen its eastern borders and to modernise its arsenal after it supplied obsolete weapons to Ukraine.
