[Scotland: Independence for Peace and the Peace for Justice](#)

By [Konrad Rekas](#), October 25, 2022

[The Cult of the Branch Covidian and the Banality of Evil](#)

By [David Penner](#), October 25, 2022

The Branch Covidian putsch is the most heinous crime ever perpetrated in the history of medicine, and some would argue, in the history of the world. Its success is attributable to the strong presence of Nazi bioethics within the ranks of Western physicians, as well as a broad base of support from the ranks of neoliberals.

[The Stages of Totalitarianism: America Is Moving from Authoritarian to Totalitarian](#)

By [Dr. Mark McDonald](#), October 25, 2022

I felt much freer in Bosnia this summer than I do now in the United States. In every city I visited there, I found no restrictions on travel, speech, or medical decision-making. [Political 'Justice' in America](#)

By [Daniel McAdams](#), October 26, 2022

Josef Stalin's top henchman famously said, "show me the man and I'll show you the crime." What it meant was that Soviet justice was about politics, not the rule of law. First decide who, for political reasons, is to be punished, and then the state will provide the crimes for which he will be charged.
